## संदेश

मुझे यह जानकारी अत्यन्त हो रही है कि 3 फरवरी 2019 को हंसराज कॉलेज में वार्षिक एलुमनाई दिवस मनाया जा रहा है। देश के प्रतिष्ठित कॉलेजों में से एक 'हंसराज कॉलेज' राष्ट्र के युवाओं को श्रेष्ठ नागरिक बनाने में अपनी महत्वपूर्ण भूमिका निभा रहा है।

हम सभी के जीवन में कॉलेज के दिन बहुत ही रोमांचक होते हैं, जिनकी यादें हमारे मन पटल पर सदा विद्यमान रहती हैं। कॉलेज शिक्षा और सेवा की बीच की कड़ी होते हैं। छात्र यहाँ शिक्षार्थ आते हैं और यहाँ से सेवार्थ बाहर जाते हैं। यह समारोह न केवल भूतपूर्व छात्रों, शिक्षकों तथा कर्मचारियों को आपस में फिर से मिलाता है, बल्कि यह अवसर भी है जब सब मिलकर विचार करते हैं कि हमने अब तक कितनी प्रगति की है और हम कॉलेज को भविष्य में कैसे श्रेष्ठता के शिखर पर पहुँचा सकते हैं।

इस अवसर पर मैं 'हंसराज कॉलेज एलुमनाई' और 'स्मारिका' के प्रकाशन से जुड़े सभी सदस्यों को उनकी सक्रिय भूमिका के लिए बधाई एवं शुभकामनाएँ देता हूँ।

### MESSAGE

MESSAGE I am happy to know that the Hansraj College Alumni Association is celebrating its Annual Alumni Day on 3rd February, 2019 at Hansraj College premises in Delhi and a Souvenir will also be published on this occasion.

It is often said that College Days are the best days of one's journey & cherished throughout the life. I can vouch that based on my own experiences in Hans Raj College - memories of which are permanently embedded in my mind. Whenever, I reflect upon my days in College, my heart fills with pride and at the same time I get strong longing to live those moments again. It would not be out of place to mention that the College since its inception has clear and consistent vision to provide holistic education — combining modern & scientific mode with time-tested Vedic wisdom. This inspiring vision blended with open-minded, highly learned, intelligent & skilled teachers, helped a lot in expanding my academic horizons and shaping ideals and morality for the better.

Since Alumni are the institution's most loyal supporters and can play an important role in career building of current students & further strengthening the Institution, they should come forward in support in any which way that is feasible. I congratulate the College's Alumni Association for the active role it is playing towards this goal.

I send my best wishes on this occasion.

### **MESSAGE**

Warm Greetings with invoking of blessings of Almighty.

Feeling honored to write this message . Every present has past and every past has future . I have distinct lingering memories of Hansraj college lane.

We inherited the legacy of Alumni Association , served by our most respectable executive members in the past and it was only their vision , that this Executive Body is following their footsteps to do still better.

We were able to get the Association Registered by the cohesive approach of ECM member with the unforgettable support of our most beloved Principal Dr Ms Rama who has been crowned as Regular Principal now the post that ran on Adhocism for many years and might have caused some impediment in developmental activities . We have had full support of Dr VK Kwatra ji immediate past principal of our college.

Our college arguably the Naboth's vineyard of university of Delhi as the Kalp Vriksha has produced innumerable Bureaucrats, technocrats, scholars , educationists, CA'S, leading lawyers , businessmen , Bollywood icons , actors and in other fields who made their presence felt in the Society . It is very aptly said "As we sow so shall we reap" our Alma Mater infused all human values in us which chiseled our future best suited for the society.

While we are shoulder to shoulder with college , we wish and take the pledge that this institution should continue its efforts to provide latest innovations to students by updating the syllabus with fast changing technological upgradations to ignite the students with a mission to serve, share and heal the sufferings of society .

Constant support of DAV managing committee to our college under the tutelage of Worthy Padam Shri Sh Poonam Suri ji will remain indelible

Let our college remains the lighthouse, from which ,the flickering beams of light becomes eternal pathfinder to students and its Alumini I would feel immensely honoured if u kindly join our unending crusade to link more and more seeds of this wonderful college for all good to the college.

Kindly spread your wings to rope in more and more scattered Hansrajian family members .I solicit ur precious support by way of financial , use of ur good offices for bonafide purposes , enrichment of vision of students by ur valuable experiences. For all this , our robust Executive Committee (who work ceaselessly) is always available to u for any facilitation.

## **हमारे विद्यार्थी : हमारी नींव**

किसी भी संस्थान या संस्था के प्राण उसके विद्यार्थी और कर्मचारी होते हैं। किसी संस्थान के विद्यार्थी ही उसकी नींव होते हैं। वे जितनी मजबूत बुनियाद तैयार करते हैं संस्थान उतना ही मजबूत होता है। हंसराज कॉलेज की पहचान पूरे भारत में एक प्रतिष्ठित शैक्षणिक संस्थान की है जहाँ शिक्षा के साथ छात्रों को अपनी संस्कृति और सामाजिक मूल्यों से प्रेम करना भी सिखाया जाता है। कॉलेज का आरंभ ही समाज में शिक्षा के माध्यम से देश की सांस्कृतिक विरासत को आगे बढ़ाने के उद्देश्य से हुआ। इस कॉलेज का नाम ही एक ऐसे महात्मा पर है जिन्होंने अपना सम्पूर्ण जीवन समाज के लिए होम कर दिया। महात्मा हंसराज ने हिन्दी भाषा के प्रति अपनी कठोर निष्ठा का आजीवन पालन किया। उन्होंने हिन्दी पत्रकारिता और हिन्दी साहित्य के विकास व उसके प्रचारप्रसार में अपनी महत् भूमिका अदा की है, वहीं हिन्दी पत्रकारिता के विकास में भी अपना अमूल्य योगदान दिया है। आर्यसमाज के ही प्रयोगों से हिन्दी प्रेस ने भारतीय जनगण को लोकतंत्र का प्रथम मंच प्रदान किया। महात्मा हंसराज का पूरा जीवन प्रेरणाओं से भरा हुआ है। उन्होंने बचपन में ही अपनी बहुमुखी प्रतिभा का परिचय दे दे दिया जिस उम्र में आज जीवन जीने वाले लोग इस मायावी दुनिया के रंगीनियों में उलझकर भ्रमित होते हैं उस उम्र में महात्मा ने अपना पूरा जीवन समाज को समर्पित कर दिया और कम उम्र में देश के प्रतिष्ठित पदों को सुशोभित किया। आज जब देश में शिक्षा सिर्फ व्यवसाय का माध्यम बनती जा रही है। ऐसे में महात्मा हंसराज के आदर्शों और सिद्धांतों को अपनाना बहुत आवश्यक हो चुका है। उनके जीवन का तप और त्याग प्रत्येक अध्यापक के लिए सीखने योग्य है। हमारे विद्यार्थियों को तो महाविद्यालय में प्रवेश करते ही सबसे पहले महात्मा हंसराज से ही तप और त्याग का संकल्प लेना चाहिए।

आज हंसराज पूरी दुनिया में अपनी इसी छवि के साथ आगे बढ़ रहा है। साहित्य, समाज, सिनेमा, मीडिया, राजनीति, अध्यापन, विधि, प्रबंधन, प्रशासन, वाणिज्य के साथ खेल-कूद जैसे देश के निर्णायक क्षेत्रों में हंसराज के विद्यार्थी महत्वपूर्ण कार्य कर रहे हैं। आज पूरी दुनिया में हंसराज का नाम ससम्मान लिया जाता है तो इसका सबसे बड़ा कारण हमारे पूर्व विद्यार्थी ही हैं। शिक्षक तो पढ़ाकर, उचित मार्गदर्शन कर अपनी भूमिका निभा देता है लेकिन छात्र अपनी मेहनत, अपनी अदम्य इच्छा से संस्थान का नाम आगे बढ़ाते हैं। हंसराज कॉलेज के छात्रों की एक विशेषता यह भी है कि वे जहाँ भी जाते हैं शीर्ष पर होते हैं। सिनेमा में शाहरुख खान, अनुराग कश्यप आदि ने मानक स्थापित किया है तो राजनीति में ओमप्रकाश कोहली, विजय कुमार मल्होत्रा, किरन रिजिजू, महेश शर्मा, नवीन जिंदल और अजय माकन आदि भी अपनी महत्वपूर्ण उपस्थिति दर्ज करते हैं। बात जब मीडिया की होती है तो प्रभु चावला और विनोद दुआ जैसे छात्रों को कैसे भूला जा सकता है। खेल-कूद में हमारे पूर्व छात्र विभिन्न खेलों में गोल्ड मेडल से सम्मानित किए जा चुके हैं। भारतीय प्रशासन व्यवस्था में आईएएस, आईपीएस जैसे समाज को संचालित करने वाले पदों को सुशोभित कर रहे हैं। ऐसा कोई क्षेत्र नहीं है जहाँ हमारे पूर्व छात्र अपनी सेवाएं न दे रहे हों। हंसराज की प्राक्तन समिति दिन रात मेहनत करके अपने पूर्व छात्रों को जोड़ती है। उनसे संपर्क कर सबको एक दिन इकट्ठा करती है। यह दिन कॉलेज के लिए किसी महोत्सव से कम नहीं होता है। अपने प्रिय छात्रों को वर्षों बाद देखकर कॉलेज भी फूला नहीं समाता।

एक प्राचार्या के रूप में मैं कोशिश करती हूँ कि उनसे जुड़ी रहूँ क्योंकि, मेरे छात्र ही मेरी ऊर्जा के स्रोत हैं। पूर्व छात्र मेरे लिए आदरणीय और सम्माननीय हैं। हंसराज कॉलेज में सकारात्मक व्यवहार के साथ काम करने वाले सभी लोगों का स्वागत है। मैं तो हमेशा चाहती हूँ कि लोग आएँ, बैठें और बताएं कि हम हंसराज कॉलेज को बेहतर बनाने के लिए क्या कर सकते हैं? आपका सहयोग और सुझाव कॉलेज को नई दिशा दे सकता है तो आपका स्वागत है। विद्यार्थी जीवन मानव जीवन का स्वर्णिम काल होता है। जीवन के इस पड़ाव पर वह जो भी सीखता, समझता है अथवा जिन नैतिक गुणों को अपनाता है वही उसके व्यक्तित्व व चरित्र-निर्माण में प्रमुख भूमिका निभाते हैं। दूसरे शब्दों में, हम कह सकते हैं कि विद्यार्थी जीवन मानव-जीवन की आधारशिला है। इस काल में सामान्यतः विद्यार्थी सांसारिक दायित्वों से मुक्त होता है फिर भी उसे अनेक दायित्वों व कर्तव्यों का निर्वाह करना पड़ता है।

आप लोग यहीं के विद्यार्थी रहे हैं, अपने जीवन के सपनों को आपने यहीं चलते-फिरते, पढ़ते-लिखते आकार दिया। अपने सपनों की नींव भी आपने यहीं बनायी तो अब आपकी भी जिम्मेदारी है कि कॉलेज के कुछ अधूरे सपनों को पूरा करने के लिए साथ जुड़िए। हंसराज कॉलेज को संस्थान नहीं अपना परिवार समझ इसके साथ हमसे जुड़िए, कॉलेज हमेशा आपके साथ खड़ा है। हंसराज कॉलेज अपने छात्रों को सिर्फ पाठ्यक्रम की शिक्षा नहीं देता बल्कि समाज में समरसता और प्रेम का विस्तार करने के लिए उन्हें वेद और अध्यात्म का भी ज्ञान देता है। हंसराज कॉलेज में प्रतिमाह हवन किया जाता है। यह हवन कॉलेज परिसर में ही बने वेद मंदिर में किया जाता है। वेद मंदिर में आर्य समाज से जुड़े महात्माओं, मनीषियों, चिंतकों की सैकड़ों किताबें हैं। साथ ही चारों वेद भी हैं। इन पुस्तकों का अध्ययन कर विद्यार्थी आर्य समाज का सामाजिक महत्व भी समझ सकते हैं। आर्य समाज भारतीय समाज और जनजीवन को दिशा प्रदान करने का सबसे बड़ा माध्यम बन चुका है। शिक्षा जगत में आज डीएवी संस्था जैसी कोई दूसरी संस्था नहीं है। डीएवी सिर्फ उच्च शिक्षा नहीं देती बल्कि विद्यार्थियों के अंदर उच्च संस्कारों को पल्लवित-पुष्पित भी करती है। महात्मा हंसराज ऐसे ही आर्य समाज के हिस्सा हैं जिसका उद्देश्य समाज को विकास और प्रगति के उच्चतम स्थान तक ले जाना है।

मैं अपने उन विद्यार्थियों से भी एक बात कहना चाहती हूँ, जो अभी यहाँ पढ़ रहे हैं और कल किसी संस्था या संस्थान से जुड़कर कार्य करेंगे। विद्यार्थी जीवन मानवीय गुणों को ग्रहण करने का स्वर्णिम समय होता है। आपके माता-पिता दुनिया भर

का सुख—दुख सहकर आपको उच्च शिक्षा के लिए भेजते हैं। आप भी उनकी उनकी भावनाओं का ध्यान रखें। उनके सपनों को सँजोते हुए आगे बढ़ें क्योंकि आपको पता नहीं वे आपको पढ़ाने के लिए अपने कितने सपनों को हाशिए पर रख देते हैं। एक बात और कि यह समय विद्यार्थी जीवन के भटकने के कई माध्यमों से पूर्ण हैं। तो आपको भटकना नहीं है। सुख—दुःख, हानि—लाभ, सर्दी—गर्मी से परे होकर अपने लक्ष्य और अध्ययन पर ध्यान देना है। तभी आपका जीवन सफल होगा। यह ध्यान रखना होगा कि बिना आग में तपे सोना शुद्ध नहीं होता। नियमबद्ध और अनुशासित रहना सीखें। कोई संस्थान जब हमें देता है सबकुछ, हम भी तो कुछ देना सीखें। संस्थान और राष्ट्र के प्रति यह जिम्मेदारी का भाव ही किसी देश को महान बनाता है। यह भाव हमारे अंदर विद्यार्थी काल से ही होना चाहिए। समाज व राष्ट्र के प्रति सजगता का भाव, जिससे राष्ट्र परम वैभव को प्राप्त हो सके। विद्यार्थी के अंदर का यह भाव उसे भविष्य का जिम्मेदार नागरिक भी बनाता है।

वर्ष 2015 में जब पहली बार हंसराज कॉलेज ने अपना इतिहास बदलते हुए पहली बार एक महिला को प्रचार्या के पद पर बैठाया तभी मैंने यह सोच लिया था कि हंसराज कॉलेज को भारत नहीं विश्व का नम्बर एक कॉलेज बनाना है। इसके लिए हमारे छात्र, प्राध्यापक, नॉन टीचिंग स्टाफ लगातार जी तोड़ मेहनत कर रहे हैं। एक पूर्व छात्र के रूप में कॉलेज के विकास में आपकी क्या भूमिका हो सकती है, यह आप खुद तय करें। आप खुद नए सुझावों के साथ हमारे पास आकर बात करें। आपके सुझावों पर विचार किया जाएगा। मैं चाहती हूँ कॉलेज में जितने विभाग, जितनी सोसायटीज हैं सभी को उनकी बुनियादी जरूरतों के साथ कुछ अतिरिक्त सुविधाएं भी प्राप्त हों, जिससे शिक्षक और विद्यार्थी दोनों को पहले से अधिक बेहतर करने का मौका मिले। आप जिस भी विभाग के पूर्व छात्र रहे हों उस विभाग के लिए आप बेहतर क्या कर सकते हैं, उसके लिए आगे आइए हम सब आपके साथ होंगे। वर्तमान में कॉलेज छात्रों एवं शिक्षकों, नॉन टीचिंग स्टाफ आदि के लिए अपनी सुविधाओं को बढ़ाने के विभिन्न क्षेत्रों में दिन रात कार्य कर रहा है। आप भी जुड़कर अपने सहयोग की दिशा तय कीजिए हम आपके साथ हैं।

ऐसा भी नहीं कि आप जब भी आएँ सहयोग के लिए ही आएँ। आपका कॉलेज है। इसका आप पर और आपका इस पर अधिकार है। आप ऐसे भी जब चाहें घूमते—फिरते कॉलेज आइए। देखिए, समझिए। कुछ अच्छा लगे तो शुभकामना दीजिए। कुछ कमी हो तो सुझाव दीजिए। हंसराज कॉलेज को विश्व का प्रतिष्ठित शैक्षणिक संस्थान बनाने के स्वप्न को आकार देने के लिए आप सब अपनी सकारात्मक भावनाओं के साथ जुड़िए। कॉलेज प्रशासन परिवार की तरह आपके साथ जुड़कर कार्य करने को सहमत है। अंत में हरिवंश राय बच्चन की इस कविता के साथ सभी को उज्ज्वल भविष्य के लिए विशेष शुभकामनाएं—

At the outset, I take this opportunity in congratulating our beloved patron, Dr Rama Sharma on being appointed as the first female permanent principal of Hansraj College. I am sure that under her guidance and never ending support, our college will reach new pinnacles of success.

Our college is one of the largest constituent colleges of University of Delhi with a glorious history dating back to 1948. It is now one of the premier educational institutions of the DAV managing committee. We have reached this position because of the clear vision, the unstinted support and hard work of our founders, the past and present Principals, teachers, parents, well wishers and above all, our students.

The current team is presided by Mr Mahendra Goel as the President, Dr Nitin Malik and CA Kamal Ahuja as the Vice President, Mr R K Gupta and CS Mukesh Kumar Agarwal as the Joint Secretaries, Dr Taruna Singh as the treasurer and Myself, Dr Chetana Jain as the Secretary. Under the strong leadership of our president Mr. Mahendra Goel, we have been able to garner lot of funds and support from several distinguished alumni for betterment of our college.

I congratulate all the office bearers of the current HRCAA for their initiative and invaluable efforts in getting our society registered under the Societies Registration Act, 1860. I thank God Almighty for bringing our efforts to fruition. It has also been decided to give financial aid to about 200 students for their educational expenditure.

# "AN INDIAN ARMY MAN OVERPOWERS DEATH"

`Death has no calendar', he proved it wrong;  
As stony valley began humming with victory song;  
The whole camp celebrating victory went out of joy;  
But never forgetting their hero, 'a compound of alloy;

But yesterday who did not know their tomorrow;  
With white bloodless face, a picture of ugly sorrow;  
Had the distance between life and death damn narrow;  
As coming events were casting their advance shadow.

`Marry her she comes to you', "For mother's sake";  
Cried commander, 'who is waiting at the gate;  
But who would bell the cat to face the fate:  
Yet 'Hamid' thought fortunate just to take.

`Go ahead' ordered commander, 'Before they reach';  
'Blow the tanks rest we would teach them each;  
Hamid shouted "ADVANCE", dashed with supersonic speed;  
To perform holy act of duty, hour's sacred need.

Scores of tanks appeared, in front, in a single row;  
They pointed at Hamid and stopped moving slow;  
Bullets passed at right, left, overhead, a hundred score;  
But 'Hamid' had the eternal shield as none dare to score.

'Hamids' RCL put, not one but three tanks, on fire, to blow;  
Seconds not passed, iron pieces began to flow;  
Well done, well done Hamid', cried his company mate;  
But, 'Brave Hamid' under wreckage of tanks met the fate.

Death spares no one, comes to all;  
To die heroically, is not a fall at all;  
Heaven of the heroes lies in the grave;  
Death thinks twice before coming to brave.

## **Pathetic situation of Medical Education in our beloved country and abominable health care condition in Govt.hospitals because of the poor no. of Doctors proportionate to the patients inflow.**

— Mahendra Goel, President (HRCAA)

---

At the outset, the contents of this letter may kindly be treated as a suggestion only and never in any form of any accusations/castigation which I am neither empowered not authorized.

Our health care and its precursor medical education (complementary to each other) is convoluted and not convivial at all, lacks erudite approach with attempt and intention to provide ephemeral relief only.

Health care system with Medical education as its precursor continues to remain an Achilles Heel because of leviathan of multilayers governance remaining immune to accountability, swiftness and deterrent or punitive actions, with all clear lines of accountability, blurring.

We are suffering from paradox of plenty, our country having an astronomical population of around 1.2 billions (one hundred twenty crores). As per WHO guidelines and parameters, a country should have one doctor per 1000 persons. Accordingly we need around 1.2 millions of doctors whereas we have half of 1.2 millions, 30,000 doctors added every year only. Besides we have qualified AYUSH (Arya Veda Yunani, Sidha and Homoeopathy).

Health care delivery system is primarily divided into two segments Public and Private. The sensations of the Govt. towards health care is very step motherly as can easily be seen from the fact that as dismal as 1.3% of GDP is allocated to health care as against, globally average of 5%, even the non-descript countries allocate more funds for the robust health of the people as compared to India.

Despite the fact the medical travel is huge worldwide to the tune of \$97 billion, but our India gets only 1% of it not withstanding that in India cost of health care is 1/10 as compared to US and 5 times of the European zone.

The main cause of this abominable situation particularly in the Govt. hospital is because of the very low no. of seats created for MBBS/MD/MS/DM seats while the seats are enormous in the private medical colleges which are deficient in respect of infrastructure, teaching faculty and the patient intake and care.

The student and the doctor during your course of under graduate, Post graduate and super specialization are subjected to that enormous pressure because of total mismatch of no. of doctors vs. patient in flow in the hospital that they live in the abject inhuman situations and many a times undergo various ailments like depression and disoriented.

The medical education which is long drawn trajectory without any assurance of getting good jobs and at any point of time is badly looked down by the society that is the reason the doctors in their course of studies only get frustrated because they only subjected to dirty environment, pranks and sarcasms of seniors and most of the times getting assaulted by the attendants of the patients.

Let us rise to the occasion, make the medical college so robust and expand that hospitals getting requisite no. of supporting doctors to take care of the precious health of the citizens of the country.

To attain the same here are few of the suggestions:

1. Good number of medical colleges be opened which even may be smaller in size in take of 20/25 doctors thereby needing smaller space and less no. of faculty so that the idea of building big hospitals which does not materialize on most of the occasions does not take place. These mini colleges be opened at various places.
2. The course module of the MBBS be reduced to 4 years instead of 5½ years upto graduation level so that more and more doctors are made available to the society to take care of the big segment of people for primary illness.
3. For secondary and territory health care, the big hospitals should be expanded to allow super specializations. The Govt. of India should really take the resources of corporate houses under their CSR initiatives, towards health care segment so that this colossal shortage of doctors and the infrastructure is really taken care.
4. Any student securing 80% or above should be given chance of admissions for MBBS if he wishes so that it matches the international ratio of population to doctors which global parameter say 1 doctor for 1000 population which in our case is as half of the same.
5. There should be social audit of the working of the hospitals so that every penny marked for the health care is judiciously used and not wasted or plundered.
6. The health ministry should not confine themselves of the cabins and instead make surprise inspection in the medical colleges and hospitals so that the staff in these institutions are always on their jobs and no procrastination takes place.
7. The private medical colleges should be instructed to take students for MBBS/MD/DM only through common entrance exam so that at least the level is maintained for admissions.

In view of what is prevailing in our motherland , let kindness of our Government initiate necessary steps so that this noble profession does not die out as many parents are now apprehensive of not sending their children for medical line as they find it totally unrewarding, totally suicidal.

### **What we do**

#### **Vision:**

We look forward to a future in which a healthy lifestyle is integrated into each individual's consciousness. Looking up to the truth in 'Prevention better than cure', we wish to promote a holistic way of perceiving individual and communal health.

#### **Mission**

To support the wellness of the individual and society, we aim to blend the wisdom of traditional ayurvedic knowledge with modern technology to provide for a range of healthy ayurvedic products.

#### **Values:**

To define our values in one statement, we aim for the validation of divine ayurvedic wisdom through scientific knowledge in the current era.

We believe that the power of Ayurveda - The science of life - can help balance the body-mind-spirit complex to promote good health and happiness.

Just like a butterfly isn't born beautiful, we intend to convey that keeping yourself healthy is not a one step process, but a conscious and ongoing activity of transformation.

On an individual level, it is required of us to partake in the process of metamorphosing into a state of sound health.

We could take the analogy of the life cycle of a butterfly to understand this better.

We begin by consciously planting the egg of knowledge of what our bodies and minds require. To nurture it, we put that understanding of ourselves into use to lead ourselves into the chrysalis, where we shut ourselves from external temptations and work towards better health, finally evolving into a beautiful butterfly.

### **Manufacturing and Distribution**

#### **Tea Sourcing**

Our green teas come from the Glenburn tea estates located in Darjeeling and our black teas are sourced from their estates in Assam, located on the south bank of the Brahmaputra river. Specialists monitor the whole plantation process ensuring optimum conditions at every step. The practices followed involve organic & biodynamic field methods with superlative hygiene standards to bring you the finest quality of teas.

#### **Tea Processing**

The Assam Black Tea leaves are plucked, withered and rolled with careful inspection & diligence. Thereafter, the leaves are fermented to develop their natural flavor and fragrance. The leaves are then dried in large mechanical dryers on conveyor belts at high temperatures to eliminate moisture. Finally, various grades of tea leaves are separated depending on their sizes. At every step, intricate variations may exist depending on the flavor & quality of the tea being produced.

For Darjeeling Green Tea, there are slight differences as tea leaves are withered first for about 8-24 hours to dry and then are steamed to prevent neutralization of enzymes and oxidation. As a result of this, the leaves are able to retain their authentic green color and remain enriched with antioxidants & polyphenols. Subsequently, they are rolled to different degrees and dried again.

#### **Herbs Sourcing**

We acquire raw herbs from Bakshish Aromatics and Carmel Organics, who are providers of essential herbs that are grown and procured from different parts of India.

#### **Herbs Processing**

The produce is cleaned and processed using ultra-modern techniques and equipment. High-level testing and assessment takes place in well-equipped laboratories before sending the material to manufacturers. Sturdy packaging of the raw herbs prevents damage in transit from atmospheric factors - dust, water, germs, humidity, temperature etc.

First, the herbs are cleaned and washed to expel contaminants with a high-pressure air blower or an air duster. Drying them brings down their moisture content to an acceptable level which ensures that their chemical constituents are maintained. The quality of each herb enhances as they become resistant to the growth of micro-organisms and are imparted with pharmaceutical elegance. Thereafter, these raw herbs are pulverized to reduce their size, after which sieving is done to further achieve the desired particle sizes.

### **Tea Blending**

A double cone blender prepares a homogeneous blend of natural raw herbs with the finest quality of orthodox tea leaves. Finally, this blend of herbs and tea leaves is packed in pouches for labeling.

Butterfly Ayurveda herbal blends are 100% natural and free of any artificial flavoring, scenting or coloring. We do not use extracts in our teas. Further, each of the ingredients is tested for pesticides, aflatoxins and heavy metals to ensure product safety. Our herbal teas are GMP, HACCP & Rainforest Alliance certified.

# Life Like a Train

Life's like a train  
That keeps on moving  
Passing all the hitches  
Feeling all the pain

Halts on the stations  
Boarding the passenger  
Carries them all  
Leaving all the anger

Steaming up the pressure  
From station to station  
Builds its route  
Like the walling up mason

Starts and stops its  
Wheels  
With the illumination  
Doesn't rest until  
Reaches the destination

So what do we learn  
From the lengthy train  
Don't discuss the losses  
Feel beneath the gain

Keep your aspirations  
High  
As the length here shows  
Achieve your goal  
And your destiny will  
Bow

May be you will had a longer  
As some crossing  
But still u have the time  
Don't waste it by coin tossing

Take up the challenge  
Leave all the emotion  
Converge your energies  
And speedup your motion

Complexity ruins your

Simplisize your deeds  
To make a good LIFE

एक बार अपने कदम बढ़ाकर तो देखो।  
कमी नहीं यहाँ रोने वालों की,  
अपने गम को भूल कर किसी रोते को हंसा कर देखो।  
खुशियां मिलती नहीं छीन लेने से, जो कुछ है तुम्हारे पास,

दृष्टि और सृष्टि से परे अनेक सौरमण्डल हो सकते हैं। हमारे सौर मण्डल को हमारा ब्रह्माण्ड कहा जा सकता है। इसी की सृष्टि अर्थात् हमारी वर्तमान सृष्टि के आविर्भाव, जन्म, विस्तार, विकास, निर्माण, प्रकटता के बारे में और सृष्टि के सिकुड़न, ध्वंस, क्षय, नाश इत्यादि के बारे में विद्वानों का ध्यान हमेशा से रहा है।

**अनेक पौराणिक व आधुनिक विचारों का विश्लेषण:-**

करीब 5000 वर्ष पौराणिक मानी जाने वाली

पवित्र गीता 2.16 के अनुसार:-

**नासतो विद्यते भावो ना भावे विद्यते सतः।**

वेदों व अन्य शास्त्रों पर विचार करने से मालूम पड़ता है कि सृष्टि के निर्माण में 4,32,00,00,000 वर्ष (ब्रह्मा का एक दिन या एक कल्प) और उतना ही समय (ब्रह्मा की एक रात) वापसी प्रक्रिया में बारी-बारी से लगती है, जिसे 'प्रलय' कहते हैं। प्रलय के अन्य को 'महाप्रलय' कहते हैं। जोर्ज गेमोव के अनुसार पृथ्वी 1.6 अरब वर्ष पहले ठोस (गैस से तरल और फिर ठोस) हुई थी।

भारतीय कालगणना के अनुसार सृष्टि का आविर्भाव 17 फरवरी मध्यरात्रि 3102 बी.सी. उज्जैन (उज्जयिनी) मेरीडीयन पर हुआ। भारतीय खगोलशास्त्रा व अन्य शास्त्रों के अनुसार वर्तमान सृष्टि को प्रारम्भ हुए 1,96,08,53,115 (17 फरवरी मध्यरात्रि 2013 को) वर्ष हुए हैं। अनेक आधुनिक वैज्ञानिक खोजों के अनुसार भी सृष्टि की आयु दो अरब है।

## SAVE THE GIRL CHILD

### Slave the Girl Child

Indian civilization is considered as one of the oldest civilizations of the world despite of being the oldest. It is deeply bounded with pro-minded tradition, that affects our society in a wide majority. Female Foeticides i.e. abortion of the girl child in India is done at a wide range. Despite of that, the Govt. of India enforced the Pre-natal Diagnostic Techniques (Regulation & Prevention of Misuse) Act, 1994, since January 1994 order which all genetic counseling Centres & laboratories are required to apply for Registration & Violation of this Act can bring a fine of Rs. 50,000/- & imprisonment for 2 years. But still in various Medical Clinics & Hospital Female Foeticides is happening the question arises WHY? Female foeticides is happening in India at a large rate why a Girl Child is considered a burden in Indian families. The reason behind it is more pro-minded. Most Indian families think having a boy would be more profitable as he will bring dowry after his wedding, Also he will provide his income of the family & raising a girl child sounds a loss of them because not only the girl have to leave the house after her wedding, she should bring a large amount of dowry with her. DOWRY Tradition is one more idiotic tradition in India. Also having a boy child is considered as a status symbol for some families. Why a Girl child is not considered to get a privilege like a boy. Well this all happens in India because of the lack of education the privilege on the basis of birth is sex is not just pro-minded but it affects a great impact on the ratio of male & female sex. Where males are more than the females, it's totally clear that female foeticides have a great impact on the population. Good Education, Honesty & Modesty among the Hospitals to stop Female Foeticides & also a thinking that Girls can be treated equally like boys can balance one society. Saving a Girl child is the most hilarious work that one should do & will be proud of, The world is Hard to imagine without girls, Because birth of the new ones is also done by a Girl, One should respect the birth of a baby Girl in his family.
