### MESSAGE

I am happy to know that the Hans Raj College Alumni Association, University of Delhi is celebrating its 'Alumni Day' on May 8, 2022 and publishing a souvenir to commemorate the occasion.

It is truly noteworthy that many alumni of this college occupy important positions in various reputed institutions of India and abroad. It is a testimony to the values and character nurtured by their alma mater in them.

I hope that the college, while keeping academic excellence at its core, will continue to impart holistic education for the all-round development of its students.

I extend my warm greetings and congratulation to the students, teachers, staff and alumni of the Hans Raj College, University of Delhi and wish the event a grand success.

### MESSAGE

I am pleased to learn that Alumni Association of Hansraj College is organizing its Alumni Meet' and on this occasion publishing a Souvenir in Delhi on 08.05.2022.

I am proud to be an alumni of the college and strongly believe that the Alumni Association can help us stay connected to our friends and faculty, which taught and guided us. I also believe that more rooted we are, the stronger we grow in life. The alumni is stronger force that binds us with our roots of wisdom.

The Hansraj College is a premier institute of education in Delhi which maintain high academic standard and vibrant and healthy campus environment. Over the last seven decades college has made remarkable strides in imparting quality education in all the streams.

I extend my warm greetings to all the Members of Alumni Association and wish the Alumni Meet a great success.

### **MESSAGE**

At the outset I would like to congratulate the principal of Hansraj College, Dr. Rama for providing for exceptional and outstanding direction, which has ensured that the College remains not only amongst the top educational institutions of Delhi University, but also of the country. Dr. Rama and the entire teaching faculty of Hansraj College deserve to be commended on this major achievement.

I would also like to convey my gratitude to Mr. Mahendra Goel, President, College Alumni Association, for continuing to drive the Association and keep all its members informed about developments in the College. His efforts are indeed laudable.

As a second generation alumnus of a DAV institution (my father studied in DAV College, Lahore), I am truly indebted to the Alma Mater, for the education, the confidence and the courage which I imbibed during my college years (1971-1974). I would like to take this opportunity to also express my sincere respect to all the esteemed faculty members, who prepared me to face difficult challenges during the course of my career. In return, I have always offered my services to the College and will continue to do so.

I wish the Principal of the Hansraj College, Dr. Rama, the entire College faculty, Mr. Mahendra Goel, President of the Alumni Association and students of the College a bright and successful year ahead.

It is a matter of great joy that the Alumni Day of Hans Raj College is being celebrated on 8th February, 2022 like every year. I have been lucky to have studied in this great institution which helped me, and thousands of others, to excel in different fields. No amount of thanks can pay back the gratitude as it is akin to one's mother. It's great that the Alumni Association is helping us in keeping in touch with the college and colleagues, past and present. Kudos to the President and office bearers for keeping the flag high. My best wishes for a grand celebration on the Alumni Day.

It is true that time flies." This notion comes to me when I recall the remarkable events and activities that occurred during my time at Hansraj College. Those were the days when I was able to study while also making fantastic pals. My education at this college has provided me with a solid basis for a long and successful career in banking. The knowledge and enlightenment learned here have left an inestimable mark on my life. From my own personal experience, I believe that every student should aim to make knowledge his or her most prized property via discipline and perseverance. This is especially true in today's competitive world, which is characterized by rapid change. The Hansraj College Alumni Association has worked tirelessly to bring alumnus together on a shared platform, providing important services and leaving an unforgettable mark. I'd want to take this occasion to extend my warmest wishes to every one of our college's alumni and current students.

My heartfelt greetings to the Hansraj College alumni. Hansraj College continues to be an outstanding educational institution, preparing thousands of students for their futures each year. For this, we are eternally thankful to the high caliber of teaching experts, such as lecturers and professors, who convey knowledge that aids the students in the construction of their future.

My gratitude to every one of the faculty at Hansraj College, both then and now, for their dedication and sincerity in assisting us in creating our lives and professions. The years spent in college are also the years in which one makes lifelong friends. As a result, we are grateful to the institution for providing the environment in which this friendship blossomed.

Dear Alumni.

It is indeed a privilege and a cherishable moment to share my thoughts and experiences on our Alma Mater, Hansraj College.

I am overwhelmed with nostalgia as I look back towards the yesteryears spent in College from 1982 to 1987.

As a resident of the hostel, one had a very close association with the college ecosystem, engendering an unflinching emotional bond. We entered the College premises as boys and walked out as men. Such has been the ineffaceable impact shaping our personalities

HRC has the pride of place amongst the top colleges of DU with an impeccable academic record besides a very impressive and enviable alumni.

The Hansraj College Alumni Association has zealously strived to bring the alumnus on a common forum, rendering invaluable services and thereby leaving an indelible imprint.

I take this opportunity to convey my best wishes to the entire alumnus and current students of our College.

May our college attain even greater heights for all of us to sustain and exemplify this everlasting sense of pride and belongingness.

Best Wishes,

Firstly, Hansraj is not a college, it is a brand. It is unique in its field. Discipline is like in the air of its environment. I am so grateful to be a part of this college. There are so many opportunities to develop one's personality in any field like, cultural, literature and many more. It was very precious and golden phase of my life. The entire faculty and other members of this institution are very cooperative. I got a lot of love and support from my teachers & colleague and it made my 3 yrs. memorable for me. I proudly feel that I cherished every moment of my college. Being a "Hansarian" makes me feel proud. My experience in Hansraj was just amazing. The college years are also the years in which one acquires life-long friends. Therefore, we remain thankful to the college for providing us the environment that nurtured this friendship.

Dear Friends,

Hansraj College, the very moment, these words come to my mind or are heard by my ears, they stir my soul and I get this strong urge for a reunion and a home coming to my Alma Mater. **David Guterson** has aptly said "There's a certain nostalgia and romance in a place you left".

As a proud Alumni, I congratulate the HRCAA for keeping the tradition alive and organising its 34th Annual Alumni Meet on 8th May, 2022. I have felt honoured to be associated with HRCAA as its President for a continuous period of 03 years from 2012 to 2015. The HRCAA has served and is serving towards the development of its Alma Mater and to enrich the lives of its members and the students of Hansraj College. I also extend my best compliments to the HRCAA for the publication of the Souvenir. A special word of compliment to Mr. Mahendra Goel, the President for taking the College to higher levels of achievement as President HRCAA.

I convey my best wishes to the HRCAA and a meaningful and memorable reunion to all the Alumni, distinguished faculty and guests.

## Principal's Message

Dear Alumni

Greetings to all of you and my best wishes to you and your loved ones we navigate a world that has been turned upside down by the Covid 19 pandemic and as we look forward, there is genuine hope for optimism.

*Tamaso Ma Jyotir Gamaya* - the motto of our college aptly describes the philosophy that Hansraj College strives to follow. And it has been a guiding principle all these years as our college enters its glorious 75th year. In this journey, Hansraj College has emerged as an institution whose heritage is defined and cherished by its esteemed alumni who have brought laurels in diverse fields. The contribution of Hansraj

College Alumni Association (HRCAA) to carry forward the legacy and strengthen what our institution has stood for is commendable.

Our college has made immense contribution to the society during the pandemic. Testing and vaccination camps were set-up and many of our alumni joined hands in this, achieving this noble cause. I urge our alumni for their whole-hearted support in future also to whatever degree they are comfortable: financial, academic, mentoring etc. Institutions are known by the strength of their alumni network. I implore our alumni to keep their contact information updated for better and fruitful connectivity. I look forward to your continued involvement to keep our association strong and steadfast and contribute in elevating the quality of our academic programs.

Alumni are the brand ambassadors of an institution. They are in fact significant stake holders. HRCAA provides an excellent platform for networking of the entire distinguished alumnus. And I am overwhelmed with joy to see the growth of HRCAA over the years. The souvenir of the HRCAA is coming at a time when Hansraj College is touching new heights and setting new standards in academic excellence. I congratulate the entire executive team for their earnest efforts during 2018-2022 and wish them the best for their future endeavors.

College can only offer the foundation; the onus is on the alumni to take it forward.

### **Message from the Vice Principal's Desk**

Hansraj College is a part of the largest non-governmental educational organisation in the world, namely the chain of Dayanand Arya Vedic schools and colleges spread over the length and breadth of the country. The aim of the D.A.V. is to inculcate in students a thirst for knowledge, devotion to duty, honesty and a patriotic fervour besides humanism. The values of our founders guide us at Hansraj College to groom students who are geared to contribute to the communities that they are a part of. The legacy of Mahatma Hansraj and the DAV institutions grounded in the freedom struggle makes our students deeply conscious of their role as citizens and of their obligation to the nation and humanity. In doing so, we seek to develop leaders across disciplines who are equipped to make a positive difference in the world. In the three quarters of our illustrious history, our alumni have been contributing to nation building in all spheres of activity be it academics, sports, culture, politics or industry among many others. We are very proud of our alumni who have left an indelible mark in all these fields. I congratulate Hansraj College Alumni Association which has played a very important role in maintaining the connection between the college and our alumni. I congratulate them on coming out with this issue. My best wishes!

### **MESSAGE**

Warm Greetings with invoking of blessings of Almighty. Feeling honored to write this message.

Period from year 2020 till Feb 2022 has been catastrophic but landmark too, on account of corona crisis. We learnt to embrace uncertainties and developed courage to deal with unpredictabilities to enjoy the present.

It reinforced the importance of curiosity and learning. While social distancing, kept us apart, Technology brought us together. Many of us, lost our nears and dears in this corona holocaust. We place our most respectful tribute with the prayer that their souls Rest in Peace.

I have distinct lingering memories of Hansraj college lane during my brief studies in the college. We inherited the legacy of Alumni Association, served by our most respectable executive members in the past and it was only their vision, that this Executive body is following their footsteps to do still better.

With the unforgettable / unstinting support of our most beloved Principal Dr. (Ms.) Rama, who has been well deservedly crowned as Regular Principal now (the post that ran on Adhocism for many years ), we could jointly provide an air conditioned bus to the college to ferry the blind students and girl students for their educational tours for better learning. Besides many welfare programs are chalked out in synergy with college administration for value addition in the college.

Our college arguably the Naboth's vineyard of University of Delhi (which has celebrated its centenary year) is on cusp of celebrating its 75th anniversary and the Kalp Vriksha, has produced innumerable Bureaucrats, politicians, technocrats, scholars, educationists, CA'S, leading lawyers, businessmen, Bollywood icons, actors and in other fields who made their presence felt in the society . It is very aptly said "As we sow so shall we reap" our Alma Mater infused all human values in us which chiseled our future, best suited ,for the society.

While, we are shoulder to shoulder with college, we wish and take the pledge, that this institution should continue its efforts to provide latest innovations to students by updating the syllabus with fast changing technological upgradations to ignite the students with a mission to serve, share and heal the sufferings of the society.

Constant support of DAV managing committee to our college, under the tutelage of worthy Padam Shri Sh. Poonam Suri ji will remain indelible and this umbilical cord of DAV will continue to nourish the college for peace, humanity and resilience.

Let our college remains the lighthouse, from which, the flickering beams of light becomes eternal pathfinder to students and its Alumini. I would feel immensely honoured if u kindly join our unending crusade to link more and more seeds of this wonderful college for all goods.

Kindly spread your wings to rope in more and more scattered Hansrajian family members. I solicit your precious support by way of financial, use of your good offices for bonafide purposes , enrichment of vision of students by your valuable experiences. For all this, our-robust Executive Committee (who work ceaselessly) is always available to you for any facilitation.

*If the mind is eager and ignited, everything can be achieved and  
real winners are ordinary people with extraordinary determinations like the college and you all have*

### Secretary's Message

Dear alumni and friends,  
Hansraj College Alumni Association (HRCAA) is a bridge between our college and its alumni. It provides a platform for alumni to stay connected with each other and to their alma-mater. It gives me immense pride and pleasure to send this message to all my fellow Hansarians. At the outset, I take this opportunity in congratulating our beloved patron and our most dynamic principal, Prof. (Dr.) Rama who has taken our esteemed college to greater and greater heights. Our college has reached new pinnacles of success under her able guidance and leadership.

Our college is one of the largest constituent colleges of the University of Delhi with a glorious history dating back to the year 1948. It is one of the premier educational institutions of the DAV managing committee. We have reached this position because of the clear vision, the unstinted support and hard work of our founders, the past and present Principals, teachers, parents, well-wishers and our students. As our college enters an awesome milestone of 75 years, I congratulate all of you. It is a moment to rejoice and be proud of its legacy.

Hansarians have always shown exemplary contribution and dedication towards their alma mater. And we have been moving ahead shoulder to shoulder to help each other sail through the tough corona pandemic. HRCAA initiated a webinar series, ALUMNI TALK. Our alumnus, Sh. Rajiv Chawla delivered a motivational webinar on the topic, 'Challenges, opportunities, and the way forward for entrepreneurs and start-ups in the present times'. Ms. Richa Pandey Mishra delivered a webinar on the topic "Women Entrepreneurship". The college bus arrived in the precinct of our alma mater. HRCAA extends its gratitude to the college management for their whole hearted support in this venture. In order to appreciate the fighting spirit of visually challenged students, the alumni association will present cash award to two students of the college. As its green initiative, HRCAA organised plantation drive in order to give back to nature.

I congratulate all the office bearers of the current HRCAA for their initiatives and invaluable efforts during the tenure 2018 - 2022 which was difficult for all of us due to the Covid-19 pandemic. Our friends who contributed in the running of affairs of the alumni are precious to us and we expect their continued support and contribution in the time to come. During this pandemic time, I wish and pray for the safety of each one of you and your family. The alumni activities have progressed at a slower pace due to the virtual mode of operation. Progress has been made in respect of alumni data base, support in academic process and financial support to students.

As Secretary of the Alumni Association, I consider it an honor and a privilege to present you with the Souvenir 2022. May this association prosper and grow in every realm.

Yours sincerely  
**Prof. Chetana Jain**  
Secretary, HRCAA (2018 - 2022)

Namrata Gupta is an English Literature graduate from Hans Raj College, Delhi University and has completed her post-graduation in Masters of Business Administration from Lal Bahadur Shastri Institute of Management, Delhi. She resides in New Delhi. Her poems were published in national newspapers like Punjab Kesari when she was ten. Her write-up has been published in Hindustan Times. She has academic scholarships awarded by CBSE to her name.

Namrata is the author of four popular novels, *A Silent Promise* (2015), *The Full Circle... Stumbling Upon A Sinful Mystery* (2018), *Together We Were (W)hole* (2020) and *Lost Love Late Love* (2021). Her books have won many hearts. *A Silent Promise*, a readers' favourite, was launched by Mr. Petko Doykov, the Ambassador of Bulgaria to India (2015). The book was also released by Mr. Sudhir Mishra (Indian film director) at Gurgaon International Film and Literature Festival, held at DLF Cyber Hub (2015), where a reading session was also conducted for the book.

*The Full Circle* was best ranked #26 in Crime, Thriller and Mystery and #33 in Contemporary Romance on Amazon. *Together We Were (W)hole* was best ranked #1 In Romantic Suspense and #2 in Crime, Thriller and Mystery on Amazon. *Lost Love Late Love* (2021) was best ranked #3 in Romance on Amazon within ten days of release.

Namrata has also written two short stories titled *One Wedding, Three Murders* (2018) and *If Only Love was Enough* (2021).

She wants to make an immutable influence on the minds of the readers through her writing.

## Indianising Indian Bureaucracy /Civil Services

— Mahendra Goel, President (HRCAA)

---

**At the outset, it may kindly be accepted that the contents of this article may not be taken as aspersion/accusation but only suggestion.**

Civil Services examinations are in existence from the British period in the 18th century onwards and Lord Cornwallis is called the Father of Indian Civil Service (ICS). Between 1848-1947 i.e. the division of India, the ICS officers ruled more than 300 million people of the country having 250 districts at that point of time. At the time of partition, the ICS were divided between India and Pakistan as per the choice of the officers.

Satyendranath Tagore was the first Indian to join the Indian Civil Service (ICS) who retired in 1894 and took the examination in London. From 1922 the examinations started to be held in Delhi. Now there are 2000 examination centers in 60 cities with thousands of coaching centers flourishing in the country.

The average age for appearing in the exam during British time period was intentionally kept as low as 22 years keeping in view of the fact that persons of Indian Origin may not find age eligibility because of late academic graduation. The post of district magistrate also called the District Collector was created in 1772 under Warren Hastings, the Governor of Bengal, the idea was to remove Indians from revenue administrations and make the British the sole controller of resources.

The ostentations attached to the post of District Collectorate still amuse the aspirants though the posting for such coveted job is not more than 4-5 years. This bureaucracy which is truly the weaving of national tapestry now was developed as devilish, diabolical, the wanton desire, the servility to absolutely unchanged desire to implement slavery into the loathe some bestiality of passion to rule the country i.e. India was the mind set of British people.

The subjects listed in the civil services examination are colonial and the syllabus of the various subjects were mostly suitable to the British regime to make in depth study and research to deal with ongoing encounter with the various sections of the human race at different geographical zones.

Let us take the example of the anthropology, it deals with the race, racism and morphological changes and possible mutations with variations and it was kept intentionally by Britishers, as to how could that study be used while encountering hundreds of races and aborigines of lands of different areas conquered by the whites, as they were on winning spree under the very apt philosophy of divide and rule and the wit wants of the various areas fell prey to their rhetorics.

In political theory and Indian politics, some western theories are placed, which do not contribute in running of the system in our country. All the syllabus of UPSC is inclined towards western idea and left wing theories with the profounder who do not want forward growth of the country and its subjects.

Further more, the bureaucrats, not mostly, but all were given silent mandate for not mixing with Indian population so that sentimental attachment may not play any role and Independance may be preponed. The Britishers went away but the secret code of the ethics of bureaucrats still pervade in the minds of these mandarins without merit, causing a heavy loss on account of alienation with the society as a consequence of which they never understand the first hand problem.

Over the years, immunity has spread in every section of employees. (As per fourth report of second Administrative reforms committees it has been noted). This has created a climate ascensive security without fear of penalty for incompetence or wrongdoings. The Ministry of Personnel is apparently slow in investigating and prosecuting members of IAS and IPS and any other service who have been charged with crime.

This has become a story of Indian Bureaucracy responsibility without accountability inevitably, the consequence has been that the responsibility has come to be treated in cavalier fashion. No one should be surprised (as per newspapers report that India has come to be treated as having the worst bureaucracy in Asia) that the best and brightest of India's youth avoid Govt. services. The supposed iron cage is eaten through with rust. India is suffering from civil services though designed like Iron frames (though rusting rapidly) and monarchical political parties in place of British Monarchy. The inability of India's institutions of governance to change, adequately, has resulted in the growing decline of citizen's trust in them.

Suggestions that may transform this antediluvian practices and become one amongst designed for common citizen of the country.

1. The syllabus, so far defined by the UPSC is Orivilian in nature and should be replaced by the theories and the thoughts pertaining to our country with small reference to contemporary international study so that the selected lot of IAS may understand the area which is to be served by them in true sense.
2. The subjects should be so chosen that the comprehensive knowledge and holistic approach is obtained by every selected candidate about the country and the section of society they are posted in.
3. The syllabus should be changed every two years with the latest happenings in the nation and the world, are incorporated so that solutions to tackle the same is designed in the mind of the new entrants in bureaucracy. This will obliterate the common cramming of the subjects in repeated attempts by the students who fail in the given chance.
4. The eligibility age should be increased from minimum 22 yrs to 30 yrs with the retirement age extended up to 65 yrs and every aspirant should have worked for 5 yrs in private segment so as to perceive the tough life and the flavor of siting on other side of table and the tribulations the private sector undergoes through the Govt. set up. It will shed the vanity from the mind of the aspirant that he attains if he becomes collectorate at the age of 27 without the rigmarole of true public life and sensation of the society in true sense. This way the selected lot will have the true connect with the society which they are generally insensitive to.

The next step towards correcting this is to increase manifolds the public interface with this bureaucratic mandarins as they are hard press by the dictations of the political bosses so that they are exposed to the truthfulness of the issues and corrective measures can be taken in a better way. Secondly, the present disciplinary process, to ensure that the bureaucrats under investigation, are neither promoted not given any job.

The bureaucrats do (before joining the services) work very hard to come out with flying colours and really wish to contribute a lot but the fear of launch of any enquiry dissuades them to render in the desired manner. They should, at all levels, be in the office or in public life, make public appearances and interface which can pre-empt a lot of corruption practices because now the lower base of staff is pretty sure that the higher boss is never going to inspect and the world belongs to them. We need to create an inclusive and just society, government functioning is still the best.

## **GLIMPSES OF VEDIC GEOMETRY**

The astonishing adaptability and usefulness of mathematics was rightly captured by Indian mathematician Mahavira (c. 950 BC) which he expressed as :

All three worlds, involving static and dynamic entities are governed by the science of calculations i.e. Ganita. It is the soul of all activities, worldly or spiritual. It is in the core of all art forms be it music, dance or drama, in cooking, medicine and architecture, in the art of love and poetic compositions, in the rules of logic and grammar and in many other quests. The movement of Sun, calculations of eclipses and concurrence of planets, estimation of cyclones and thunders, assessment of direction, time and position, i.e. triprasana of the moon, all these have ganita in their core. The number, the diameter and the perimeter of islands, oceans and mountains including all attributes of the inhabitants owe to mathematics.

Since the Vedic period, the first recorded evidence of mathematics Sulbasutras, dated around 800 to 500 BCE, the primary function of Indian mathematics was seen as generating rules for systematic and efficient methods of calculations. Sulbasutras deal with the measurement and construction of sacrificial altars. These give a compilation of mathematical results which were used in the designing and construction of Vedic sacrificial altars (vedi) and for the location of sacred fire (agni) which were to conform to the pre fixed requirements regarding their shapes and areas in order to be effective instruments of sacrifice. Square and circular altars were usually set up for household rituals. For public worship vedis had the shapes which were consisting of the combinations of rectangles, triangles and trapezium. More elaborate public altar had the shape of a falcon ready to take the flight with the belief that it would enable the soul of the supplicant to be able to enter the heaven. These constructions especially those of larger altars involved two geometrical hurdles. One was to find a square equal in area to two or more given squares and second was to transform other shapes such as circle, rectangle or trapezium into a square of equal area or vice versa. The overall plan involved being the concept of perpendicularity which was achieved through a smart combination of concrete geometry. In particular, principle of dissection and re-assembly was used. This method is taught in schools these days, involving perpendicularity of the line joining the centres of two intersecting circles with the line joining the two points of intersection, and also the use of the converse of "Pythagoras theorem". They were familiar with the "Pythagoras theorem", and explicit statement of the theorem is found in all the four major Sulbasutras.

After its encouraging beginning, the growth of pure geometry during the Vedic period underwent shadow. But the Indian contribution in the study of properties of cyclic quadrilateral is very significant. Ancient Indian mathematician Brahmgupta (b. 598 CE) furnished accurate results for the area and diagonals of cyclic quadrilaterals in Brahmsphuta-siddhantha. Around 1000 years later in 14th century Narayana Pandit in his Ganitakaumudi, in 15th century Paramesvara in his Lilavatibhasya and Jysthadeva in Yuktibhasa in 16th century provided notable refinements.

The astronomer Galileo Galilei rightly observed in 1623 that the entire universe "is written in the language of mathematics", and indeed it is remarkable the extent to which science and society are governed by mathematical ideas.

# हनुमान चालीसा

राम कुमार गुप्ता  
संयुक्त सचिव, एच.आर.सी.ए.ए.

हनुमान चालीसा कब लिया गया क्या आप जानते हैं। नहीं तो जानिये, शायद कुछ ही लोगों को यह पता होगा ?

पवनपुत्र हनुमान जी की आराधना तो सभी लोग करते हैं और हनुमान चालीसा का पाठ भी करते हैं, पर यह कब लिया गया, इसकी उत्पत्ति कहाँ और कैसे हुई यह जानकारी बहुत ही कम लोगों को होगी।

बात ॥३॥ ईस्वी की है यह काल अकबर और तुलसीदास जी के समय का काल था।

एक बार तुलसीदास जी मथुरा जा रहे थे, रात होने से पहले उन्होंने अपना पड़ाव आगरा में डाला, लोगों को पता लगा कि तुलसीदास जी आगरा में पधारें हैं। यह सुन कर उनके दर्शन के लिए लोगों का ताँता लग गया। जब यह बात बादशाह अकबर को पता लगी तो उन्होंने बीरबल से पूछा कि यह तुलसीदास कौन हैं।

तब बीरबल ने बताया, इन्होंने ही रामचरित मानस का अनुवाद किया है, यह रामभक्त तुलसीदास जी है, मैं भी इनके दर्शन करके आया हूँ। अकबर ने भी उनके दर्शन की इच्छा व्यक्त की और कहा मैं भी उनके दर्शन करना चाहता हूँ।

बादशाह अकबर ने अपने सिपाहियों की एक टुकड़ी को तुलसीदास जी के पास भेजा और तुलसीदास जी को बादशाह का पैगाम सुनाया कि आप लालकिले में हाजिर हों। यह पैगाम सुन कर तुलसीदास जी ने कहा कि मैं भगवान श्रीराम का भक्त हूँ, मुझे बादशाह और लालकिले से क्या लेना-देना और लालकिले जाने के लिए साफ मना कर दिया। जब यह बात बादशाह अकबर तक पहुँची तो उन्हें बहुत बुरी लगी और बादशाह अकबर गुस्से में लालताल हो गये, और उन्होंने तुलसीदास जी को जंजीरों से जकड़ कर लाल किला लाने का आदेश दिया। जब तुलसीदास जी जंजीरों से जकड़े लाल किला पहुँचे तो अकबर ने कहा की आप कोई करिश्माई व्यक्ति लगते हो, कोई करिश्मा करके दिखाओ। तुलसी दास ने कहा मैं तो सिर्फ भगवान श्रीराम जी का भक्त हूँ कोई जादूगर नहीं हूँ जो आपको कोई करिश्मा दिखा सकूँ। अकबर यह सुन कर आगबबूला हो गया और आदेश दिया की इनको जंजीरों से जकड़ कर काल कोठरी में डाल दिया जाये।

दूसरे दिन इसी आगरा के लालकिले पर लाखों बंदरों ने एक साथ हमला बोल दिया, पूरा किला तहस नहस कर डाला। लालकिले में त्राहि-त्राहि मच गई, तब अकबर ने बीरबल को बुला कर पूछा कि बीरबल यह क्या हो रहा है, तब बीरबल ने कहा हुजूर आप करिश्मा देखना चाहते थे तो देखिये। अकबर ने तुरंत तुलसीदास जी को कल कोठरी से निकलवाया। और जंजीरे खोल दी गई। तुलसीदास जी ने बीरबल से कहा मुझे बिना अपराध के सजा मिली है।

मैंने काल कोठरी में भगवान श्रीराम और हनुमान जी का स्मरण किया, मैं रोता जा रहा था। और रोते-रोते मेरे हाथ अपने आप कुछ लिख रहे थे। यह चौपाई, हनुमान जी की प्रेरणा से लिखी गई है। कारागार से छूटने के बाद तुलसीदास जी ने कहा जैसे हनुमान जी ने मुझे कारागार के कष्टों से छुड़ाकर मेरी सहायता की है उसी तरह जो भी व्यक्ति कष्ट में या संकट में होगा और इसका पाठ करेगा, उसके कष्ट और सारे संकट दूर होंगे। इसको हनुमान चालीसा के नाम से जाना जायेगा।

अकबर बहुत लज्जित हुए और तुलसीदास जी से माफी माँगी और पूरी इज्जत और पूरी हिफाजत, लाव-लशकर से मथुरा भिजवाया।

आज हनुमान चालीसा का पाठ सभी लोग कर रहे हैं। और हनुमान जी की कृपा उन सभी पर हो रही है। और सभी के संकट दूर हो रहे हैं। हनुमान जी को इसीलिए (संकट मोचन) भी कहा जाता है।

## जिंदगी जब भी तेरी बज़्म में लाती है हमें

Dr. Prabhansu ojha

जिंदगी जब भी तेरे बज़्म में लाती है हमें, ये जमी चाँद से बेहतर नज़र आती है हमें दिल्ली विश्वविद्यालय की गलियों से गुजरते हुए ये पंक्तियाँ बरबस मन में गूँजने लगती हैं। मनुष्य के शरीर की सीमाएँ होती हैं, उम्र बढ़ने के साथ व ढलता है परन्तु किसी भी संस्थान के लिए यह बात ठीक उल्टी है। उम्र बढ़ने के साथ संस्थान

ढलते नहीं बल्कि खिलते हैं, निखरते हैं। अपनी खुशबू बिखेरते हैं। दिल्ली विश्वविद्यालय ने अपने 100 वर्ष पूर्ण कर लिए। हमारी परंपरा में शतायु होना अत्यंत सौभाग्यशाली होना माना गया है और एक देश के लिए इससे अधिक गर्व की बात क्या होगी कि जब उसने अपनी आज़ादी के 75 वर्ष पूर्ण किए तो फिर उसकी एक संस्था ने 100 वर्ष पूर्ण कर लिए।

देश के शीर्ष नेतृत्व से लेकर पढ़े, राजनीति, साहित्य सिनेमा, प्रशासन, खेल हर क्षेत्र में दिल्ली विश्वविद्यालय के पढ़े हुए छात्र इसका नाम रोशन कर रहे हैं। कहा गया है कि विद्या धनम् सर्व धन प्रधानम्! और दिल्ली-विश्वविद्यालय खुले मन से यह कार्य कर रहा है। 80 से अधिक महाविद्यालयों का विस्तृत, परिवार हजारों शिक्षक व लाखों विद्यार्थी किसे गर्व नहीं होगा इस परिवार पर।

यहाँ के कॉलेज और हॉस्टल की दीवारें महज ईंट की दीवारें मात्र नहीं हैं बल्कि भावों का एक अटूट बंधन हैं। आपकी वो उम्र जिसे आपने अपने हिसाब से जिया। अपने कई सीनियर को देखता हूँ जिन्हें उनके जीवन साथी भी यहीं मिले। जीवन के बेहतरीन दोस्त यहीं मिले। जीवन जीना इसी विश्वविद्यालय ने सिखाया।

आगामी 26 जुलाई 2021 को हमारे हंसराज महाविद्यालय के 75 वर्ष पूर्ण हो रहे हैं। हम सभी को बधाई। ज्ञान विज्ञान संस्कृति, कला के सूर्य को प्रदीप्त करता हमारा यह प्यारा घर ऐसा ही खूबसूरत बना रहे। अगले वर्ष हम इसे पूरी जिजीविषा जीविषी के साथ मनाएँगे। शेष बातें मिलकर,...

I started my own venture in wealth management sector. My Company "InvestAdvise wealth management" is now a 10 years old company with more than 60 employees and an annual turnover of 300 Cr. I have been felicitated with Young Achievers award from ET now in 2016. My Company has received more than 200 awards including recognition from global stalwarts like Donald Trump Jr and film celebrities like Suniel Shetty and Arbaaz Khan. Recruiting Interns for summer training from my MBA college and providing them not only with on the job training but also giving them overseas travel opportunities has been my way of showing the youngsters a path they can follow. Being able to provide employment specially to people who come from remote corners with limited income and opportunities has been immensely satisfying and it makes me feel more grounded, at the same time it motivates me to reach out to more such people and make a difference in my own small way.
