## A tribute to all the martyrs including martyrs of HANSRAJ COLLEGE

### ON THE GRAVE OF MY SON

Whose grave is that, Under the shade of old tree;  
Who lies there, so carefree?

There lies my son; Who died in the hours of our test;  
In early youth he finished duty, now takes rest.  
Sometime back;  
When the peace of northern frontiers was disturbed;  
Sound of bullets, shelling was heard.

Like other thousand Jawans;  
My son who was here on his happy holidays;  
was ordered suddenly 'Join your duty in two days;

He, with the help of others;  
Destroyed borrowed enemy tanks in double figures;  
For days nights together kept finger on trigger.

One fine very early morning;  
In order to capture our lost post;  
Orders were capture it at any bloody cost.

JAWANS ADVANCED:  
He also went along in his turn;  
Post was captured but he couldn't return.  
But when asked by  
The little son of my great son 'Where my daddy has gone';  
I know but I lie Far away he was, more far away he has gone"

Thus the only son of mine;  
Lost his life, in this game of arms and ammunition;  
But I am proud he gave new life to his people to his Nation.

"THE END"

This poem was composed by  
M.N. Kaushik (Batch of 1962-1965)  
while in the college

### MESSAGE

Delhi University, in general, and Hansraj College, in specific, is the epitome of hope and faith. Hope that the “impossible is soon going to be it’s possible” and faith that “ignited minds will turn dreams into reality”. These thoughts craft self-esteem and optimism in human resources which in turn instills an impromptu inspiration among the young ones who enrolls for the various courses in the college.

A strong foundation of the new India has been laid and it is now our collective responsibility to build a strong structure on this foundation. Empowered Human Resources are the key players in the new India. The zeal and zest among the young students in bringing the radical change in the society are far-reaching and beyond imagination. It definitely instills the sense of pleasure and content that the future are in the bright hands.

I sincerely wish all the best to all the Students and Alumni in their future endeavors.

The college has made significant contributions in terms of producing scholars, bureaucrats, intellectuals, and sportsperson serving in different domains not only at national but even at international levels.

I am happy to learn that the Hansraj College Alumni Association is organizing its annual function on February 5th, 2023. Alumni are one of the most precious assets that an Institution can create. They not only represent the institution and its values in their personal and professional lives, but can also help to mentor and guide the current students apart from promoting the institution and its mission. Alumni can help to create a sense of community among current students, alumni, and the institution itself. This is especially important for institutions with a strong sense of tradition and history.

I extend my warm wishes on this occasion for this event to be a grand success.

हंसराज कॉलेज ने अपनी गौरवशाली यात्रा के 75वें वर्ष में प्रवेश किया है। यह न केवल हंसराज कॉलेज बल्कि दिल्ली विश्वविद्यालय के लिये भी गौरव का विषय है। इसके लिये मैं कॉलेज की प्राचार्य प्रोफेसर रमा, समस्त शिक्षक, विद्यार्थी एवं नॉन-टीचिंग स्टाफ को हृदयतल से बधाई एवं अनंत शुभकामनाएं देता हूँ। यह एक सुखद संयोग ही है कि समस्त भारतवर्ष आज़ादी का अमृत महोत्सव मना रहा है, दिल्ली विश्वविद्यालय अपनी स्थापना का शताब्दी वर्ष मना रहा है और हंसराज कॉलेज भी स्थापना का अमृत महोत्सव मना रहा है। ऐसे में भारत की विकास यात्रा को आगे बढ़ाने में मैं कॉलेज और विश्वविद्यालय की जिम्मेदारी और बढ़ जाती है। इस अवसर का उपयोग नवाचारी और जनोपयोगी संकल्पों के लिए किया जाना चाहिए।

हंसराज कॉलेज का इतिहास अत्यंत ही गौरवशाली है। महात्मा हंसराज जी के मूल्यों पर स्थापित यह कॉलेज ज्ञान- विज्ञान की ज्योति का प्रसार कर रहा है। महात्मा हंसराज जी ने अज्ञान रूपी अंधकार को ज्ञान रूपी प्रकाश में बदलते हुए राष्ट्र के विकास को नई दिशा प्रदान की। वह निःस्वार्थ त्याग, समर्पण, करुणा और ज्ञान की प्रतिमूर्ति थे। शिक्षा के क्षेत्र में उत्कृष्टता के लिए उनका योगदान वर्तमान में एक आदर्श के रूप में स्थापित है। उनके दूरदर्शी विचारों के साथ कई शिक्षण संस्थान ज्ञानार्जन और शैक्षिक परंपरा को आगे बढ़ा रहे हैं। हंसराज कॉलेज की ऐतिहासिक परंपरा में उनका योगदान अतुलनीय है।

आधुनिक जीवन शैली में भारतीयता और भारतीय जीवन मूल्यों को बढ़ावा देने की आवश्यकता है। महात्मा हंसराज और स्वामी दयानंद सरस्वती की चेतना से अनुप्राणित हंसराज कॉलेज अपने विद्यार्थियों को भारतीय संस्कृति और परम्पराओं के उन्नयन के साथ-साथ आधुनिक जीवन की चुनौतियों के अनुरूप शिक्षा प्रदान कर रहा है। इस कॉलेज से पढने वाले विद्यार्थी सभी क्षेत्रों में शीर्षस्थ पदों पर रहते हुए राष्ट्र निर्माण में महत्वपूर्ण भूमिका निभा रहे हैं।

गत वर्ष हंसराज कॉलेज के ही स्थापना दिवस पर आयोजित कार्यक्रम में दिल्ली विश्वविद्यालय के कुलाधिपति और तत्कालीन उपराष्ट्रपति श्री एम. वेंकैया नायडु ने कहा था कि भारत जैसे राष्ट्र को जिस तरह की शिक्षा नीति की आवश्यकता है, वर्तमान राष्ट्रीय शिक्षा नीति, 2020 उस पर पूरी तरह से खरी उतरती है। यह हर्ष का विषय है कि हंसराज कॉलेज राष्ट्रीय शिक्षा नीति, 2020 को क्रियान्वित करने में अग्रणी संस्थाओं में से है। हंसराज कॉलेज ने शिक्षा, पर्यावरण जागरूकता और भारतीय कला एवं संस्कृति के माध्यम से लोगों में भारतीयता की भावना का प्रसार किया है। यहां का प्रत्येक छात्र समाज के प्रति अपने कर्तव्यों के साथ शिक्षा का अर्जन कर रहा है। यहाँ के छात्र देश-विदेश में कॉलेज और विश्वविद्यालय को गौरवान्वित कर रहे हैं। हाल ही में कॉलेज में आधारभूत संरचनाओं के विकास एवं अकादमिक गुणवत्ता में सुधार की दृष्टि से अनेक महत्वपूर्ण कार्य किए गए हैं।

हमें हंसराज कॉलेज और दिल्ली विश्वविद्यालय को आने वाले वर्षों में नई ऊँचाइयों तक ले जाने का संकल्प लेना होगा और इस दिशा में आवश्यक पहल करनी होगी। मैं कॉलेज की स्थापना के अमृत वर्ष में यहाँ के शिक्षक, विद्यार्थी और इससे जुड़े हर सदस्य से यह संकल्प लेने का आह्वान करता हूँ कि वे कॉलेज और विश्वविद्यालय को आगे ले जाने में अपनी भूमिका सुनिश्चित करें, ताकि समाज और राष्ट्र का विकास में आपका योगदान अंकित हो सके। पुनः हंसराज कॉलेज से जुड़े सभी सदस्यों को स्थापना के अमृत वर्ष की शुभकामनाओं के साथ कॉलेज द्वारा नित-नए कीर्तिमान स्थापित करने की कामना करता हूँ।

It gives me great pleasure to send this message to the Alumni of Hansraj The college is once again organizing its Alumni Meet and will bring out a souvenir. It's a matter of great pride and privilege for me to have studied at Hansraj College and that I am an alumni of the college, what I have observed for the past few years is that the HRCAA has been one of the most enthusiastic and organized Alumni association in Delhi. I am sure that going forward the association will not only continue to do as well as it does, but will do better. Alumnus of college as prestige as Hansraj College, can do so much more if they set their mind to it. For all of us who have benefitted from having studied at Hansraj College or being associated with it, the time is right with so many new changes taking places in the field of Higher Education, opening novel opportunities of both Alumni associations as well as current generation of students and rolled to study at Hansraj College. My best wishes for the association activities.

**My Journey with my Hansraj College and perceptions about life**

I truly feel blessed and honoured for having studied my graduation (1986-89) and masters in Physics (1989-91) at my beloved Hansraj College, and the journey of my life has been so beautiful since then. I enjoyed my education at college to the fullest, and it made me what I am today- always confident, optimistic and a sensitive citizen of my country. My college gave me the intellect, wisdom and perseverance due to which I have been able to establish a successful research career and visit many institutes in India and abroad. I take this opportunity to thank my College, its dedicated teachers and administration, for providing an amazing academic ambience during my education period. I am also leading a happy and successful personal life- I got married to an Assamese Physicist, settled in Assam since 1992, and blessed with three lovely children. I have happily adopted the Assamese culture, and amalgamated with the people and society here which has helped me to be a happy, content and successful person in life.

Through this article, I wish to convey to students and my young friends that we should accept life as it comes, keep the faith and never be afraid of the challenges, however hard they may be. We should learn to live happy, however harsh conditions may be. We should always keep our cool, stay focused, and keep moving ahead towards our goals in life. Never give up. And never run after money- it can't buy us happiness.

We have passed through unprecedented times in the history of mankind- COVID19 pandemic since 2020. Mankind has suffered painfully- and we should learn lessons from this. We need to maintain a healthy lifestyle, attain immunity with natural resources, keep away from mechanical life style, always be in touch with our roots, and culture, and land and its people, and need to contribute to society via all possible means. Time has come when we should contemplate, what we have returned back to our country and society- Nation is calling us, and it is our duty to contribute towards Nation building. And finally, I thank God, for this beautiful life and for giving birth to me in this great land Bharat- I feel too proud to be a Bharatiya!

### MESSAGE

Since its inception , our Hansraj college has traveled a long distance and created an eminent position for itself in the world of academia. This has been possible only because of the combined and relentless efforts by the committed faculty, brilliant students and the distinct cultural ethos that pervades the campus. It is for these reasons that I deem it as my personal honour to be an integral part of the college's alumni.

Today I must complement the Alumni Association for its excellent work in preparing, bit by bit, the data base of ex students, providing them platform for regular interactions and finally weaving together memories of wonderful times which, sadly enough, would never come back. I extend my sincere and warm greetings to the Alumni Association for its efforts in ensuring that the eternal connection of belongingness with our college.

Lives on for ever...

Dear Alumni,

### MESSAGE

It is indeed a privilege and a cherishable moment to share my thoughts and experiences on our Alma Mater, Hansraj College.

I am overwhelmed with nostalgia as I look back towards the yesteryears spent in College from 1982 to 1987.

As a resident of the hostel, one had a very close association with the college ecosystem, engendering an unflinching emotional bond. We entered the College premises as boys and walked out as men. Such has been the ineffaceable impact shaping our personalities.

HRC has the pride of place amongst the top colleges of DU with an impeccable academic record besides a very impressive and enviable alumni.

The Hansraj College Alumni Association has zealously strived to bring the alumnus on a common forum, rendering invaluable services and thereby leaving an indelible imprint.

I take this opportunity to convey my best wishes to the entire alumnus and current students of our College.

May our college attain even greater heights for all of us to sustain and exemplify this everlasting sense of pride and belongingness.

Best Wishes,

## MESSAGE

When we read the life story of a successful personality, it gives us a lot of insight into how they have managed and overcome the challenges in their lives. These lessons help us manage our lives and plan a better future for our loved ones. Mr. Sachin Gupta one such shining star in the sky.

Mr Sachin Gupta established Invest Advise in 2012. Invest Advise is one of the new-age companies to realize the huge potential and opportunity in the wealth management sector enabled by financial technology. Sachin Gupta, Founder and CEO, Invest Advise speaking on what lead him to start Invest Advise said, “While working with various leading MNC financial institutions, we used to give recommendations to our clients about portfolio investments. We used to design a portfolio, where the revenue for the financial institution is higher, not taking into consideration the needs and requirements of the clients. So I thought, why can’t we start giving unbiased recommendations for clients portfolio based on their requirements and where client actually wants to invest as per their risk appetite.”.

Today this core philosophy of “Client First” has enabled company to establish presence in 18 countries serving over 3000 clients. Together Invest Advise manages 1500 crore worth Portfolio asset management and focus on its core strength of offering products/services for the NRI clientele. Invest Advise has been immensely successful with its holistic approach towards investment providing a single view of all client’s investments.

During this whirlwind journey, a few success mantra’s that I can share from my personal experience are

1. First thing is to have a strong clarity on your goal – an outcome that you want to achieve. This clarity for me is important as it helps to decide course of action when the external scenario is challenging.
2. Not shying away from taking tough calls. This for me has been an eye opener. When these decisions come off, you are hailed a superstar while there are times when they may backfire, Nonetheless, I feel taking these tough calls pays an entrepreneur over a period especially when there is clarity on the outcome.
3. Finally, I believe that having a holistic approach towards life is important. So, your family, your personal health, people around you are important things. Personally, this has kept me grounded and helped me evolve both personally and professionally.

## MESSAGE

All of what I am in life, I owe to my Parents, Teachers, Family, Friends, and Society. A major role was played by Hansraj College where I graduated (1980-83). Graduation, not just in the subject (Botany Hons) in which I enrolled, but graduation in many traits that played much more significant roles throughout my professional, personal and social life, like teamwork, community living (I was in the Hostel), camaraderie, ownership, fellowship, team building, standing up for friends, leadership and many more. Hansraj, to me, has been a preparatory ground for what I'd later face in my life, including the darkest moments of uncertainty and vulnerability.

It was just a year after I graduated that I lost my father. Darkness engulfed in the tragic personal loss, financial insecurity, unforeseen responsibilities of younger siblings, and uncertain future were overwhelming. However, Hansraj had perhaps prepared me well and friends from the Hostel stood by me like one extended family giving me all the strength to overcome the challenges and dispel all darkness. Who'd imagine that less than a year after the greatest tragedy of my life, would I start my small manufacturing unit supported by a CC limit of Rs.10,000/- from Syndicate Bank (now Canara Bank) This was in 1985.

Today, as I look back at my journey, more than my own business that I set up and built, which is now a mid-sized corporate, I am proud of the Institution that I, supported by my entrepreneur friends, created, namely Integrated Association of Micro Small and Medium Enterprises of India, popularly known as, IamSMEofIndia, to facilitate and promote the growth and development of Small businesses across India. It is a one-stop Solution Centre for Micro Small and Medium Enterprises, that provides Tried, Tested, Credible, Affordable, Ready-made, and often Guaranteed solutions to save Time, Energy, and Costs for MSMEs. The institution has helped thousands of entrepreneurs set up and scale up their enterprises and continues to do so.

I heartily compliment and congratulate the Principal of Hansraj College, Dr. Rama for providing exceptional and outstanding direction to the College, which has ensured that the College remains not only among the top educational institutions of Delhi University but also of the country. Dr. Rama and the entire teaching faculty of Hansraj College deserve to be commended on this major achievement. On her inspiration, IamSMEofIndia is handholding the students aspiring to set up as well as scale up their ventures.

My gratitude to Mr. Mahendra Goel, President, Hansraj College Alumni Association, for continuing to drive the Association and keep all its members informed about developments and Initiatives in the College. His efforts are indeed laudable. I am truly indebted to the Alma Mater for the education, the confidence and the courage it helped me inculcate. My sincere respect to all the esteemed faculty members, who prepared me to face difficult challenges during the course of my career. In return, I remain committed to offer my services to the College at all times.

Dear Alumni,

‘Tamaso Ma Jyotir Gamaya’ The motto of our college aptly describes the philosophy that Hansraj College strives to follow. And it has been a guiding principle all these glorious 75 years. In this journey, Hansraj College has emerged as an institution whose heritage is defined and cherished by its esteemed alumni who have brought laurels in diverse fields. The contribution of Hansraj College Alumni Association (HRCAA) to carry forward the legacy and strengthen what our institution has stood for is commendable.

Our college is one of the largest constituent colleges of the University of Delhi with a glorious history dating back to the year 1948. It is one of the premier educational institutions of the DAV managing committee. We have reached this position because of the clear vision, the unstinted support and hard work of our founders, the past and present Principals, teachers, parents, well-wishers and our students.

Alumni are the brand ambassadors of an intuition. They are in fact significant stakeholders. I urge our alumni for their whole-hearted support in future also to whatever degree they are comfortable: financial, academic, mentoring etc. Institutions are known by the strength of their alumni network. I look forward to your continued involvement to keep our association strong and steadfast and contribute in elevating the quality of our academic programs.

HRCAA provides an excellent platform for networking of the entire distinguished alumnus. And I am overwhelmed with joy to see the growth of HRCAA over the years. The souvenir of the HRCAA is coming at a time when Hansraj College is touching new heights and setting new standards in academic excellence. I congratulate the entire executive team for their earnest efforts during 2022 – 2023 and wish them the best for their future endeavors.

## Vice Principal's Message

**Ms. Alka Kacker**  
Vice Principal

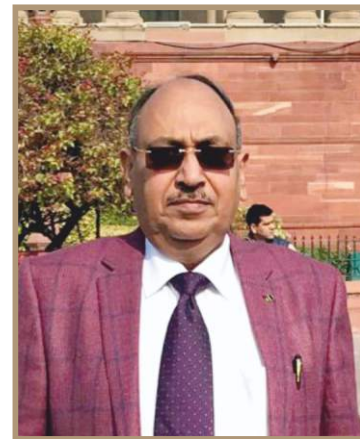

Hansraj College is a part of the largest non-governmental educational organisation in the world, namely the chain of Dayanand Anglo Vedic schools and colleges spread over the length and breadth of the country. The aim of the DAV is to inculcate in students a thirst for knowledge, devotion to duty, honesty and a patriotic fervour besides humanism. The values of our founders guide us at Hansraj College to groom students who are geared to contribute to the communities that they are a part of. The legacy of Mahatma Hansraj and the DAV institutions grounded in the freedom struggle makes our students deeply conscious of their role as citizens and of their obligation to the nation and humanity. In doing so, we seek to develop leaders across disciplines who are equipped to make a positive difference in the world. In the three quarters of our illustrious history, our alumni have been contributing to nation building in all spheres of activity be it academics, sports, culture, politics or industry among many others. We are very proud of our alumni who have left an indelible mark in all these fields. As a recognition of their contributions, we plan to felicitate 75 illustrious alumni this year as part of our platinum jubilee celebrations.

I congratulate Hansraj College Alumni Association which has played a very important role in maintaining the connection between the college and our alumni. I congratulate them on coming out with this issue. My best wishes Hansraj College.

## President HRCAA Message

Attitude and not aptitude takes you to high altitude. Warm Greetings, with invoking of blessings of Goddess Saraswati. Feeling honoured to write this message. Period from years 2020 till Feb 2022 has been catastrophic but landmark too, on account of corona crisis. We learn to embrace uncertainties and developed courage to deal with unpredictabilities to enjoy to present and established many milestones. Our college arguably the Naboth's vineyard of University of Delhi (which has celebrated its centenary years) is of celebrating its 75th anniversary years and the Kalp Vriksha, has produced innumerable bureaucrats, politicians, technocrats, scholars, educationists, CA's, leading lawyers, businessmen, Bollywood icons, actors and in other fields who made their presence felt in the society. It is very aptly said "As we sow so shall we reap" our Alma Mater infused all human values in us which chiseled our future, best suited, for the society. Education can't be one size fits all approach. It is also about learning, interaction, developing soft skills and social capital which only brick and mortar colleges can provide. No success or achievement in material terms is worthwhile unless it serves the needs or interest of the country and its people and is achieved by fair and honest means. India's G20 presidency will be inclusive ambitious, decisive and action oriented such presidency will accelerate new ideas and collective action. India the mother of Democracy, is ready to take on a global leadership role and pave way for an inclusive tomorrow with its decisive and action oriented approach at G20 India. Its meetings are planned in different cities and states of our country to provide an enriching experience of India's amazing diversity, inclusive traditions and cultural richness to our guests from across the world. Constant support of DAV managing committee to our college, under the tutelage of worthy Padam Shri Sh. Poonam Suri ji will remain indelible and this umbilical cord of DAV will continue to nourish the college for peace, humanity and resilience. Let everyone has fearless and joyous attitude towards life and let us all choose peace, be courageous choose brighter side of life looking forward and trust the process of life. Kindly spread your wings to rope in more and more scattered Hansrajian family members. I solicit your precious support by way of financial, use of your good offices for bonafide purposes, enrichment of vision of students by your valuable experiences, For all this, our robust Executive Committee (who work ceaselessly) is always available to you for any facilitation.

## एक अविस्मरणीय यात्रा का जीवंत दस्तावेज डॉ. नितिन मालिक , कुलसचिव , अम्बेडकर विश्वविद्यालय

एक लम्हे में सिमट आया है सदियों का सफर , ज़िन्दगी तेज बहुत तेज चली हो जैसे ... गीत की ये पंक्तियाँ बरबस मुझे याद आती हैं जब हंसराज के इस खूबसूरत सफर को देखता हूँ . हर दिन जब ऑफिस के लिए निकलता हूँ गाड़ी के पहिये बरबस हंसराज कॉलेज से जाती हुई सड़क की ओर मुड़ जाते हैं .75 वर्षों के अनंत गौरवपूर्ण पलों, खूबसूरत यादों एवं विराट अनुभवों को जहां से अपनी स्मृतियों में संजोया था पुनः अपनी निजाभिव्यक्तियों को उसी प्रांगण में व्यक्त करने के लिए हंसराज महाविद्यालय अपनी 75 वर्षों की सतत यात्रा को प्लैटिनम जुबली उत्सव के रूप में मना रहा है।

हंसराज महाविद्यालय की 75 वर्षों की यात्रा में हजारों हजार छात्रों ने जहां अपने भविष्य की आधारशिला निर्मित की एवं जहां से राष्ट्रीय अंतरराष्ट्रीय स्तर पर भारत के गौरव को सुशोभित करने के लिए अलग-अलग दिशाओं में उड़ान भरी एवं नए कीर्तिमान स्थापित किए।

हंसराज कॉलेज का यह उत्सव, छात्र के रूप में प्रवेश से लेकर एलुमनाई बनकर पुनः कॉलेज परिसर में आकर स्वयं को उसी छात्र के रूप में देखने का एक अद्भुत अवसर है और ऐसे उत्सव किसी संस्थान की गौरव गाथा निर्मित करने का सबसे सुंदर संयोग होते हैं।

हंसराज कॉलेज ने विज्ञान, मानविकी, पर्यावरण, भारतीय कला एवं संस्कृति के माध्यम से लोगों में भारतीयता की भावना का प्रसार किया है। उनके व्यक्तित्व निर्माण में हंसराज कॉलेज का अहम योगदान रहा है।

महात्मा हंसराज और स्वामी दयानंद सरस्वती की चेतना से अनुप्राणित हंसराज कॉलेज अपने विद्यार्थियों को भारतीय संस्कृति और परम्परा के उन्नयन के साथ-साथ आधुनिक जीवन की चुनौतियों के अनुरूप शिक्षा प्रदान कर रहा है। हंसराज कॉलेज से पढ़ने वाले विद्यार्थी सभी क्षेत्रों में शीर्षस्थ पदों पर रहते हुए राष्ट्र निर्माण में महत्वपूर्ण भूमिका निभा रहे हैं। हंसराज कॉलेज का इतिहास अत्यंत ही गौरवशाली रहा है। कॉलेज के संकल्पों को पूरा करने के लिए आप सभी युवा छात्र छात्राओं का आह्वान करता हूँ।

श्रेष्ठ मनुष्य के निर्माण और देश के विकास में युवाओं की भूमिका को सुनिश्चित करना ही महात्मा हंसराज के स्वप्न को साकार करने का आधार हो सकता है।

हंसराज कॉलेज के छात्रों को यही संदेश देना चाहूंगा कि कॉलेज के प्रत्येक पलों का आनंद लें। यहां हो रही एक्स्ट्रा करिकुलर एक्टिविटीज में ज्यादा से ज्यादा सहभागिता करने का प्रयास करें। ये क्षण आपकी जिंदगी के सबसे महत्वपूर्ण होने वाले हैं।

मैं कॉलेज की प्राचार्या प्रोफेसर रमा जी को आभार व्यक्त करता हूँ एवं हार्दिक बधाई भी देता हूँ कि उनके नेतृत्व में कॉलेज नई ऊंचाइयों को छू रहा है। विज्ञान एवं मानविकी के प्रत्येक विषयों से लेकर खेल, संगीत, नाटक एवं वाद विवाद आदि क्षेत्रों में भी कॉलेज की गौरवशाली यात्रा निरंतर जारी है। कॉलेज लाइब्रेरी, कैटीन, ग्राउंड, हॉस्टल, हॉस्टल मेस और यहां का पूरा वातावरण प्रत्येक छात्र के जीवन में अपना योगदान दे रहा होता है। कॉलेज का सपोर्ट स्टाफ भी उतना ही उपयोगी और छात्र के अनुकूल है। किसी भी नए विद्यार्थी को यहां के वातावरण के अनुकूल होने में तनिक भी समय नहीं लगता है। आज लगभग 20 वर्ष से अधिक समय हो गए कॉलेज को छोड़े हुए , लेकिन ऐसा एहसास होता है कि जैसे कल की ही बात हो। यहां की यादें ताउम्र हमारे दिलोदिमाग में रह गई हैं , जो हमें सुकून के पलों में गुदगुदाती हैं तो कठिन एवं चुनौतीपूर्ण समय में परिस्थितियों से सामना करना भी सिखाती हैं। कॉलेज में मैंने केवल अकादमिक दक्षता ही हासिल नहीं की बल्कि समाज में कैसा आचरण करना है, विभिन्न परिस्थितियों से कैसे निपटना है ये सभी सीख हासिल हुई। करुणा, मानवीय मूल्य, सामाजिक मूल्यों के साथ सहभागिता आधारित नेतृत्व शैली इत्यादि ऐसे गुण हैं जिन्हें कॉलेज ने मुझे उपहार स्वरूप प्रदान किया। कॉलेज की निरंतर विकास यात्रा पर वेणुगोपाल जी इन पंक्तियों के साथ अपनी बात समाप्त करना चाहूंगा कि

‘न हो कुछ भी

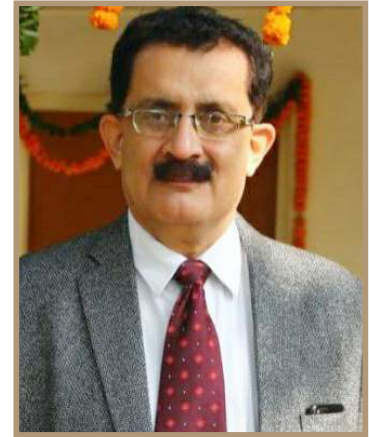

सिर्फ एक सपना हो

तो भी हो सकती है शुरुआत

और वह शुरुआत ही तो है

कि वहां एक सपना है’ ।

## College produced Illustrious Actors/Directors like Jitendra Gupta

I was a student of Hansraj College from 1971 to 1973 and I did my B.Com, where I spent a wonderful time of my life. I was a member of Dramatics society and did many plays, Teen Farishtey Riders to the Sea and Sakharam Binder were the most hit plays. Dr. Girish Bakshi ji was the head of the dramatic society and directed our plays. I still remember that during that time in our college auditorium there were wooden seats and cemented floor with just two wall fans on the stage and we used to control the curtains manually. Our then Principal Sh. Shanti Narain used to take lot of interest in our dramatic society.

Not only an actor but I am also a director and producer. I directed my first play in 1967 in school and I walked away with the best actor and second best director's award conferred by the Central Institute of Education. The play I acted in was declared the best play in the competition. Giving the good company during those school was the Vinod Dua, an Hansraj College Alumni and my classmate in school where we shared common passion for theatre and acting. In retrospect, it feels nice recalling my childhood association with Dua. I had been a part of the theatre and entertainment & media industry for more than 55 years now for which I was honoured for the life time achievement award with Mahatma Hansraj Gaurav Samman for my contribution in Art & Culture and in the field of Cinema, by Hansraj College. I was a secretary of the College Dramatic Society It was during my college days that I entered the theatre troop, which gave wings to my acting dreams. I later went on to act in several movies, web series and serials. I am a part of the Hindi film industry like Sharukh Khan, Anurag Kashyap Maneesh Sharma (All Hansraj College Alumni) and have acted in several big budget Hollywood, hit films such as Badhai Ho, No one killed Jessica, Band Baja Barat, Beast (Tollywood Movie), Tiger (Hollywood Film) Madari, Omarda, Agent Vinod, Badhai ho, Ye Sali Zindagi, Khwabb, Tejaab 2, Brij Mohan Amar Rahey, and many more along with Web series like Made in Heaven, Jamtara, hostages 2. etc.

During my career, I have worked with renowned film directors like Sudhir Mishra, Hansal Mehta, Sriram Raghwan, Anurag Kashyap, Maneesh Sharma, Danis Tanovic (Hollywood Director), Nelson, Dilipkumar, Nishikant Kamat, M S Sethu and others.

Not only films, but I have acted in TV industry also. Serials like Ji Mantri Ji, Kyunki Jeena Isi ka naam hai, Tulsi Morey angna, 12/24 Karol Bagh, Airlines, Prem Chand Ki Kahania, Zindagi Dot Com, Manzilye are few to name.

### SUSTAINABLE BEACHES PROGRAMME (SBP) Initiative

India's coastal zone is dotted with several beaches. The beach space is used by several stakeholders-viz. communities for their living and livelihood space; business enterprises for tourism; general public for recreation; industries for beach front operations and infrastructure installations; real estate for property development; pilgrims and cultural establishments for religious events etc. With increasing economic activity and infrastructure development in coastal areas; the beach fronts are witnessing heavy influx (regular as well as seasonal) of multiple stakeholders triggering unplanned usage and disturbance of its ecological integrity including conflicts with traditional community over their customary rights on beach space.

Hon'ble Prime Minister Shri Narendra

Modi has launched Swachh Bharat Abhiyaan in 2014 and with the objectives of Swachh Bharat. Hon'ble Prime Minister Shri Narendra Modi has collected plastics and other trash at Mahabalipuram Beach during his morning walk and send a big message to the country about cleanliness of beaches.

Several Ministries/ institutes /Organization/State Governments has started efforts towards cleanliness of beaches. Recently Ministry of Earth Sciences organized massive beach cleaning drive and Hon'ble Prime Minister Narendra Modi has appreciated the people involved in the Cleanthony and said that it is important we focus on keeping our coasts clean.

The Ministry of Environment, Forest and Climate Change is implementing a

program for coastal States/ UTs to develop environment-friendly beaches and obtain Blue Flag Certificate. Blue Flag Programme for beaches is run by the international, non-governmental, non-profit organization, FEE (the Foundation for Environmental Education). ## Mission LiFE by Government of India

### LiFE is an India-led global mass movement

LiFE was introduced by Prime Minister Narendra Modi-at COP26 in Glasgow on 1 November 2021-as a mass movement for 'mindful and deliberate utilization, instead of mindless and destructive consumption' to protect and preserve the environment.

It aims to nudge individuals and communities to practice a lifestyle that is synchronous with nature and does not harm it.

Those who practice such a lifestyle are recognised as **Pro Planet People**

## Mission LiFE initiative by HRCAA & HRC

Recently, India have been crowned G-20 presidency last month and the agenda for such global event to take place on various locations of our country is a priority one. In this regard, we have to create a citizenry an open up space for citizen participation and civic activism. Let our agenda be inclusive ambitious result-oriented with focus on present day issues. One such issue is Climate change that has become unprecedented existential issue around every corner of the globe. Over the years, climate change has heightened commitments, made by most of the countries at COP26. However, the unfortunate reality of 2°C rise in temperature by the middle of the century seems inevitable, even if all the pledges are delivered. In such a volatile global

environmental crisis, it is heartening that India under the esteemed leadership of Prime Minister, Shri Narendra Modi Ji demonstrated admirably resilience and achieved all round recoveries driven by National and International forums. Hansraj College (HRC) and Hansraj College Alumni Association (Regd.) (HRCAA). University of Delhi, whole heartedly express its gratitude to Honorable Prime Minister Shri Narendra Modi Ji for Mission LiFE. LiFE was introduced by our respected Prime Minister at COP26 in Glasgow on 1st November 2021 as a mass movement for "mindful and deliberate utilization, instead of mindless and destructive consumption" to protect and preserve the environment. It aims to nudge individuals and communities to practice a lifestyle that is synchronous

with nature and does not harm it. India is the first country to include LiFE in its Nationally Determined Contributions: "India will put forward and propagate a healthy and sustainable way of living based on its traditions and the values of conservation and moderation, including through a mass movement for LiFE. as a key to combating climate change. Probably, HRC (along with HRCAA) will be the first College in India to work closely with MoEF&CC and NITI Aayog to mobilize at least 10L+ students and scholars from Indians and globe to take individual and collective action for protecting and conserving the environment in the period 2023-24.

## **DNA Profiling & Death Penalty**

A brief account of my professional voyage wherein the phenomenal capacity building of technical services (forensic science laboratories, forensic science field units, questioned documents & photo section) was done. It involved the motivational drive for the forensic scientists / experts and police. The public and police officers, generally have the perception that the posting of Additional Director General of Police (ADGP) Technical Services in PHQ is a loop line posting and the professional work satisfaction threshold level remains very minimal. However, I have a difference opinion about this perception as it depends on the aptitude to perform. From 24th May, 2017 to 05th July, 2019, I had the opportunity to render my professional services as ADGP, Technical Services, PHQ Bhopal. In a sharp contrast to the loop line or main line posting debates, I had worked there enthusiastically with a focused purpose on the ends of justice in mind. That is, pleading (prosecution) for justice in the Hon'ble Courts for the

aggrieved or deceased in criminal cases. As the means for the ends of justice, police and forensic experts were motivated to train themselves proficiently with the upgraded modern technologies. With the help of such an effective strategy, it became possible to carry out the investigation of criminal cases with an impregnable fortification by protocol driven proper, prompt and precise forensic evidences.

Saboot / evidence is the sine qua non of justice for the victim. Therefore, special attention as per the protocol of forensics is indispensable for collection, preservation and examination of evidences related to crime. Police and forensic experts were trained and motivated to understand the paramount importance of the application of forensic science in the Indian Criminal Justice System. It was specifically dedicated to appreciate the application of DNA (Deoxyribonucleic acid) Technology in the investigation of heinous crimes like rape, murder etc. on minor or major, its trial and conviction. These efforts created milestones as the Hon'ble Addl. District & Sessions Judges of M.P. had awarded 23 death penalties on the accused persons of heinous offences like rape, gang rape, murder of minors etc. in the year 2018-19. Out of these 23, the Hon'ble Court imposed 20 death penalties, which were squarely based on DNA expert's report. The DNA technology has an irrefutable, impeccable and accurate capacity to individualize the accused with regard to his guilt or innocence in the crime. As per this technology, the DNA of accused on the victim and from the scene of crime matches beyond doubt, if the accused actually was the perpetrator of the heinous crime. This result is possible due to the scientific protocols where the DNA's unique feature in the form of ATCG (Adenine, Thymine, Cytosine & Guanine) combination on genetic markers of Y-STRs and Autosomal STRs individualizes and ascertains inclusion or exclusion of the accused. The DNA is extracted from the samples through a scientific process, then it is quantified by RT PCR, amplified by PCR and then Genotyped on highly specialized Genetic Analyser for generating DNA profile decoding allelic information therein for identifying individual beyond doubt.

DNA technology is playing its pivotal role with accountability & effectiveness in establishing DNA as an incontrovertible piece of evidence. Taking a hypothetical situation where the innocent minor victim who undergoes unbearable pain and trauma due to the horrendous crime against her for which she remains in no position to fight back and gets murdered in cold blood in violation of the trust of guardianship. Here, it is appropriate to say with an emotional tear that the pious soul of the deceased minor victim cries, "MeraSabootSabseMajboot" for justice for herself drawing attention towards her mortal remains which still contained DNA helpful in decoding her death mystery. The Hon'ble Court considers DNA technology as a complete science and awards justice of highest order for the victim where the accused is punished with the death penalty because in judicial parlance such cases are categorized as rarest of rare. In the event of commission of a human bodily crime, DNA technology report has the potential to interconnect the accused with the crime, scene of crime, victim and finally prove the chain of events. Also, it is able to corroborate the circumstantial evidences with the facts of the cases beyond doubt.

Seeking guidance from many celebrated cases of the Hon'ble Supreme Court, like Santosh Kumar Singh vs. The State through CBI (2010), Smt. Kanti Devi vs. Poshi Ram (2001) and Mukesh and others vs. NCT of Delhi and others (2017), in the instant case, the Hon'ble ADJ, Indore has highlighted the predominant significance of DNA technology. "फॉरेंसिक तथा डीएनए साक्ष्य महत्वपूर्ण हैं, जिनसे यह स्पष्ट प्रमाणित हुआ है कि मृतिका के शरीर पर जो खून था, वही खून आरोपी के कपड़ों, चप्पल तथा साइकल के हैंडल के ग्रिप कवर में भी था। डीएनए प्रोफाइल स्वयं में एक विश्वसनीय साक्ष्य है और यदि सीसीटीवी फुटेज बेहद स्पष्ट भी नहीं है, तब भी फॉरेंसिक और डीएनएसाक्ष्य के आधार पर आरोपी का आरोप स्वतः प्रमाणित हुआ है।"

One innocent minor baby girl who was 3 months and 4 days old was brutally raped, assaulted and mercilessly killed. The Hon'ble Court held the accused guilty of rape & murder and awarded death penalty because the DNA of victim confirmed that it was this accused who had committed sexual assault on her & finally killed her. The DNA evidence also corroborated with other evidences, thus established a lawful unbroken connection between the accused, scene of crime and the victim. In furtherance, inspired by the judgments of Hon'ble Supreme Court like Bachan Singh, Machhi Singh, Krishan Khande Rao, Dharamdev Yadav etc., the present case was considered as rarest of rare (विरल से विरलतम), brutal, grotesque, diabolical, revolting in nature arousing intense and extreme indignation of community. This case was a case of exceptional depravity and culpability.

The Hon'ble Supreme Court Manoj & Ors versus State of Madhya Pradesh (Criminal appeal Nos. 248-250 of 2015 has taken into account the reference of an article about the relevance of DNA in criminal cases published by Central Forensic Science Laboratory, Kolkata – "134....DNA Profiling is a complicated process and each sequential step involved in generating a profile can vary depending on the facilities available in the laboratory. The analysis principles, however, remain similar, which include: Isolation, purification & quantitation of DNA, amplification of selected genetic markers, visualizing the fragments and genotyping, statistical analysis & interpretation. In mt DNA analysis, variations in Hyper-variable Region I & II (GVR I & II) are detected by sequencing and comparing results with control samples : ...."

The significance of the DNA profiling as a forensic evidence was appreciated in depth by the Hon'ble Supreme Court in Nirbhaya case. (SC criminal appeals Nos. 607-608 of 2017 with Nos. 609-10 of 2017, decided on May 5, 2017) "In Nirbhaya criminal appeal case, Hon'ble Supreme Court said, "The present case clearly comes within the category of 'rarest of rare cases' where the question of any other punishment is unquestionably foreclosed. If at all there is a case warranting award of death sentence, it is the present case."

In this manner, the forensic scientists, police & prosecution were sensitized about the relevance, validity and infallibility of DNA as a scientific evidence in criminal cases to meet the ends of justice. Hence, my professional journey as ADGP Technical services proved to be a main line journey with an optimal satisfaction.

## Mathematicians love Letter

My Dear love,

Yesterday I was passing by your rectangular house in trigonometric lane. There I saw you with your cute circular face, conical nose and spherical eyes standing on your triangular garden. Before seeing you, my heart was a null set, but when a vector of large magnitude from your eyes at a deviation of  $\theta$  radians made a tangent to my hearts it got differentiated.

My love for you is a equation with real roots, which only you can solve by marking good binary relations with me. The sign of my love for you extends to infinity. I promise that, you are essential to me as a cardinal to a set. The geometry of my life revolves around you as a spiral of personality

My love, if you meet me at parabola restaurant on coming sunday at sunset, when the sun is making an angle of  $160^\circ$  with rising Sun, my life would be like a solved polynomial equation of degree 10.

With love from my higher derivative of a maxima of affection function.

Mathematics and Happiness may seem unrelated, but there are ways in which the two can be linked as happiness is a subjective feeling of contentment and well-being.

**Problem Solving:** Solving mathematical problems can bring a sense of satisfaction and accomplishment, which can contribute to happiness.

**Patterns and Order:** Mathematics is characterized by patterns and order, which can bring a sense of stability and predictability to one's life, leading to increased happiness.

**Mental Stimulation:** Engaging in mathematical tasks can be mentally stimulating, providing a sense of challenge and fulfilment that can contribute to happiness.

**Real-World Applications:** Mathematics has numerous real-world applications, from finance to engineering, which can bring a sense of purpose and meaning to one's life, leading to increased happiness.

In conclusion, while mathematics may not be a direct cause of happiness, it can contribute to overall well-being by providing mental stimulation, problem-solving opportunities, and real-world applications.

प्रवासी

हंसराज कॉलेज में आखिरी रात, छुट्टियों  
की आखिरी रात,  
अब कई दिनो बाद वापस आना होगा घर,  
वो भी कब, जानता नहीं.

आने से पहले ही, जाने की टिकट करा ली  
थी हमने, हाँ! मैं अकेला प्रवासी नहीं, जो  
रोज़ी-रोटी के लिए, घर छोड़ जाते हैं.

उल्टी गिनती कर दी थी शुरू, घर की  
चौखट पर कदम रखते ही, हर बार यही  
होता है.

एक बेचैनी रहती है, पलक झपकते ही,  
जाने का दिन, आ जाता है, जी करता है,  
एकदम से ही पहुँच जाऊँ मंज़िल तक,  
धीरे-धीरे न चलूँ घर से दूर, कहीं कदम  
धोखा न दे दें,  
मैं वापस लौट आऊ.

मन ही मन, खुद को समझाता हूँ, "वापस  
आने के लिए,  
मैं जाता हूँ!"

परिंदो

परिंदों को भी घर हो!  
मजदूरों का भी सहर हो!

रात हो पर न डर हो!  
गांव हो या नगर हो!

आवाज आज़ाद और बुलन्द रहे!  
लोक में सचमुच लोक रहे तंत्र रहे!

हम रहें या न रहें!  
आबाद गणतंत्र रहे!

जिंदगी

अगर तुम पिघलो तुम बर्फ की चट्टान हो  
तो मैं प्यार सा गर्म थाम लूँ तुमको मैं  
अगर तुम पिघलो तो बादल बन जाना  
फैल जाना मुझ पर जैसे आकाश धारा पर  
तुम वो सुरज मत बनना जो दिन का साथी

अंधेरा कर चला जाता है

रात में चाँद सी यादें दिए

अगर तुम पिघलो तो लेना रूप रुधिर  
फैल जाना मुझमें तुम वो सांस मत बनना  
जो सिर्फ एक पल साथ फिर खो जाती है

अगर तुम पिघलो तो समय हो जाना  
फैल जाना मेरे भूत, भविष्य और वर्तमान पर

तुम वो अच्छे दिन मत बनना

अगर तुम पिघलो तो मौत बनना

बस आ जाना जिंदगी मत बनना
